

# Hoover Charges Military Waste

**—Diesel Locomotives—**  
**Union's Demand Rejected**  
**Presidential Board Recommends Against Additional Engineer**

WASHINGTON — (AP) — A presidential emergency board today recommended against granting union demands for an additional engineer on multiple-unit diesel locomotives.

The Brotherhood of Locomotive Engineers has made a demand on most western railroads for the additional engineer. It threatened a strike if the demand was not granted.

A strike was called for Jan. 31, but President Truman stepped in with appointment of the board to investigate the dispute. Under the railway labor act, the union was required to hold off a walkout pending the board's study.

**Finding Not Binding.**  
The board finding is not binding on the union or railroads. The union has 30 days in which to accept or reject the recommendation.

The White House made public the board's report to President Truman on the dispute.

Diesel locomotives now carry one engineer and one fireman.

Both the Brotherhood of Engineers and the Brotherhood of Firemen have contended that another crew member is needed. The engineers demanded another engineer; the firemen another fireman.

Th board also is to hear claims of the firemen. Hearings on that are to begin June 27 in New York.

**78 Million Bu. Wheat Crop Seen**  
**Estimate Reflects The Rugged Winter Months**

Nebraska's 1949 winter wheat crop was estimated today at 78,872,000 bushels, a drop of nearly 3,000,000 bushels from the 1948 total.

The agriculture department's estimate, first since last December, when a total of 81,126,000 bushels was forecast, reflects the ravages of the rugged winter of 1948-1949.

However, the 1949 crop, if it lives up to expectations, will rank among the top wheat years.

The all-time record of 89,723,000 bushels was raised in 1946. The new crop compares favorably with the 1937-1946 average of 53,442,000 bushels.

**Blood Test Bill Passed By Unicam**  
**Penalties For Drunken Driving Are Reduced**

The much debated blood test bill passed the legislature by vote of 25 to 10 on final reading Monday.

Besides providing that more than 15 per cent of alcohol by weight in the body fluid shall be considered a presumption of guilt of driving while intoxicated, the bill reduces the penalties.

For a first offense, the fine would be \$10 to \$50, instead of \$50 to \$100 as now.

For second offense, the fine would be \$50 to \$200, instead of \$10 to \$50.

For the first offense, the driver's license may be suspended from 30 days to a year, and for second offense, for 60 days to two years.

For third offense, the penalty is one to three years in prison.

The blood test bill is LB 88.

Other bills passed:  
LB 301, providing for conversion of a federal building an dijon association to state association.  
LB 302, prescribing requirements of certificate of approval for a building and loan association.  
LB 410, permitting rural and town schools to continue to make unlimited levies until 1951.  
LB 407, relating to district court fees.

**Stores To Open At 11 A.M. Good Friday**

Sam Graham, chairman of the retail committee of the Lincoln chamber of commerce, announced Monday that, as in previous years, the downtown retail stores would remain closed until 11 a. m. on Good Friday, April 15, so that employees and employers alike may attend morning church services.

**Gene Gilmour, Druggist Here 40 Years, Dies**  
**Services Set For Tuesday Afternoon**

Louene S. Gilmour, 63, well-known Lincoln druggist, died early Monday morning at a local hospital. He had been ill for some time.

Mr. Gilmour, better known as Gene Gilmour, moved to Lincoln from Bloomfield in 1909 when he became associated with the Rehlaender drug store and became partner-owner in 1923.

In 1927 he sold his interest in the Rehlaender firm and organized the Gilmour-Danielson Drug company with R. W. Danielson.

Mr. Gilmour was born Feb. 20, 1886 in Newark, Del. After being graduated from Creighton university pharmacy school in 1908, he worked for a year in Bloomfield before coming to Lincoln. He resided at 1340 J street.

He was a member of A. F. & A. M.; the Scottish Rite; Sesostris temple of the Shrine; National Association of Retail Druggists; Lincoln Retail Druggists; Nebraska Pharmacists association; and chamber of commerce.

He was a past member of the Kiwanis club, Hiram club, and Lincoln country club.

Mr. Gilmour is survived by three brothers, J. G. and H. F., both of Lincoln, and E. P. of Compton, Calif.

Funeral services will be held Tuesday, 3:30 p. m., at Roberts chapel. Rev. Howard P. Buxton will officiate. Burial will be in Lincoln Memorial Park.

Pallbearers will be: James Stone, Paul B. McKibbin, Claude Donley, Frank McDermott, Roy Ann, Harold Wagley.

**Restoration Of Train Asked By Hastings Group**

The Hastings chamber of commerce Monday asked the state railway commission to order the Burlington railroad to restore train No. 5 between Lincoln and Hastings to its former daytime schedule.

In a formal complaint the Hastings group charged that removal of the train on Jan. 2 "left Hastings and other areas without any daylight westbound train service such as existed for many years past."

The removal "completely disrupted distribution of mail, express and passenger service," the chamber set forth. It charged that no adequate substitution for the service had been made.

It asked that the commission hold a hearing and investigate the matter.

Commission Secretary Joseph Brown explained that no hearing was held prior to changing the schedule and that informal and unsuccessful attempts to settle the issue had been made.

**—House—**  
**Slash In Aid Fund Unlikely**

**Marshall Program Backers Claim Votes To Block Reduction**

WASHINGTON — (AP) — A democrat stepped up today to sponsor a 10 per cent fund cut as the house pushed toward a showdown on the new European recovery program.

That gave the campaign in the house for a cut a bipartisan tint. But backers of the second installment on the Marshall plan insist they have the votes to block any major slash.

Rep. Preston (D-Ga.) told reporters he is going to try for a reduction of around 10 per cent, or about \$500,000,000. Rep. Lawrence H. Smith (R-Wis.) already has announced he would attempt a similar cut, applied a little differently.

**Senate Rejected Cut.**  
And Rep. Taber (R-NY) said the program could stand a trimming of more than 20 per cent—something beyond \$1,000,000,000.

There were similar efforts in the senate to cut the \$5,580,000,000 authorization, but they failed.

Even the house people who want to lower the amount say they favor aid to western Europe for another 15 months. And many of those who are against a bill of any size concede they are going to get killed.

"I'm going to vote against it," Rep. Hoffman (R-Mich.) remarked. "But I don't think I'll make a speech. What's the use?"

The house moved today's session an hour, to 10 a. m. (CST), to polish off 50 minutes of debate and then start the bill through the amending process.

**Final Vote Soon.**  
A vote on passage was possible late today, and that was the goal. But many members figured the decision would go over at least until tomorrow.

Then there will have to be a compromise with a \$5,580,000,000 bill passed by the senate Friday. And after that the cash must be supplied in a separate appropriation bill.

Over the week-end, a move developed in the senate to take a \$1,000,000,000 whack at the program when it reached the appropriation stage.

The house bill would authorize the spending of \$5,580,000,000 or \$20,000,000,000 less than the senate. Of the total \$1,000,000,000 would finance the Economic Administration until the end of June and \$4,280,000,000 would be for the following year.

In addition there is a \$272,000,000 guarantee provision in the house bill, intended to attract much in private investment in European recovery projects.

**Veterans Building Officers Re-Elected**

Bennett S. Martin was re-elected president of the Veterans Building corporation at the annual meeting of the firm's stockholders at the chamber of commerce Monday.

Also re-elected were Phil Watkins, vice president; Archie J. Baley, secretary-treasurer; and John E. Curtiss and Ralph Tyler, sr., directors.

**Kathy Brought Up Dead As Heroic Rescue Task At San Marino Comes To Sad End**

SAN MARINO, Calif.—(AP)—The world is a little sadder today. Little Kathy Fiscus was brought up dead from her well tomb after 52 hours.

All mothers and fathers shared in some measure the grief that overcame David and Alice Fiscus when the body of their two-headed three-year old was found lying in water, wedged about 100 feet down in the 14-inch pipe.

The announcement of death, by drowning, at 8:58 (PST) last night brought to a tragic end the tireless digging of weary rescuers and the anxious waiting of sympathizers everywhere.

Since sunny little Kathy, running at play, stumbled into the weed-covered well opening last Friday afternoon, accounts of the attempt to reach her had stirred the nation, and the rest of the world, as few stories have in years.

**Crowd of 15,000.**  
Even though nothing had been heard from the child since about an hour after she plunged into the abandoned old casing, hope and prayer filled most human hearts. How else account for a crowd of more than 15,000 which watched final rescue efforts?

Those efforts took, in all, 52 hours.

Dr. Robert McCulloch, family physician, said Kathy had been dead "since last heard from Friday afternoon." Then her terrified screams drifted faintly up to her mother. Efforts to have her grab a rope failed, and all was silent. There was still water in the old well after 45 years.

The body was finally found on a warm Palm Sunday as O. A. Kelly cut through the tough old casing from the bottom of a rescue shaft sunk parallel to the well. He called up for a doctor to come down the 100-foot shaft and see what he thought. Dr. McCulloch said Kathy had not

**Highway Use Stamp O.K.'d By Committee**

The legislative revenue committee Monday voted out to general file LB 402, which will require Nebraskans to purchase a special highway use stamp by July 30.

The stamps will cost \$2 for passenger cars and \$5 for trucks and cars for hire. The law, if passed, will become effective July 1. The revenue raised by the special, emergency tax will be used entirely to match federal funds for road repair.

**—National Report—**  
**A Billion Bu. Wheat Crop Is Forecast**  
**.. Second Largest Looms**

WASHINGTON — (AP) — The agriculture department today forecast this year's winter wheat crop at 1,019,686,000 bushels, which would be the second largest of record.

This estimate compared with last year's crop of 990,098,000 bushels, the previous record of 1,068,048,000 in 1947, and with the 10-year (1937-46) average of 688,606,000 bushels.

It is 54,878,000 bushels more than the 964,808,000 bushels which the department said last December was likely on the basis of the indicated planted acreage and weather and moisture conditions prevailing at that time.

No forecast was made on spring wheat production inasmuch as it is not all planted yet. However, should the spring wheat crop equal last year's harvest of about 300,000,000 bushels, the total wheat production would be 1,319,686,000 bushels.

This total crop would compare with last year's 1,288,406,000 bushels, the record of 1,367,186,000 in 1947 and with the ten-year average of 942,623,000.

**Grocers Urge Court Ruling On "Sunday Closing"**

The Lincoln Food Retailers association wants a decision on the city's Sunday closing ordinance. Representatives of the association appeared before the council Monday urging that the city speed up litigation pending in District court testing the legality of the ordinance. Certain members of the association filed the action in which the city is defendant.

Meanwhile, action on complaints filed in Municipal court against five or six operators for violations of the ordinance has been deferred pending a decision in District court.

City Attorney John Jacobson charged at the council meeting that what the association really was seeking was enforcement of the ordinance against drug stores which sell merchandise also sold in grocery stores.

One association representative said 140 people operators and their employees, had been waiting nearly a year for some decision on the action in District court.

**Wheel Tax Mentioned.**  
A wheel tax submitted to the voters at the same time was defeated by a substantial majority at the polls. Councilman Tom Pansing indicated Monday he might re-introduce the wheel tax. The voters might be more disposed to pass it considering city streets, Pansing said.

Mr. Foltz, operator of the Foltz Transfer company, appeared before the council and told of the occupation tax his company pays in Omaha. The company pays \$10 per year for each truck it operates there. "I'd much rather Lincoln get that money and I'd be glad to pay such a tax here," Foltz said.

The council took no action on the Wilkinson motion before its noon recess.

Conversations with city officials (Continued on Page Two)

**... Armed Services Accused Of 'Padding' Money Demands**

**More Funds Are Sought By Council**

**Wilkinson Suggests Higher Occupation Taxes For Utilities**

Money, more money, we sure need more money.

That refrain echoed through city hall Monday as officials slowly recovered from Tuesday's defeat of a charter amendment increasing the city's revenue.

Councilman Rees Wilkinson re-introduced a pet project of his: an increased occupation tax on utilities.

Wilkinson this time urged the Lincoln City Lines be required to pay a 5 per cent occupation tax on its gross receipts. Under Wilkinson's motion the Central Electric and Gas company would pay 3 per cent and the Lincoln Telephone company 2 per cent. Wilkinson's motion would direct the legal department to prepare an ordinance establishing those figures.

**Previously Defeated.**  
"With the city's great need for more money, we should certainly require these utilities to pay a greater occupation tax. A man can hardly walk down the street without falling into some hole the gas company has made in our streets," Wilkinson said.

"The wear and tear on our streets caused by the bus company is plainly evident. The last time I urged an increase occupation tax on utilities Mayor Miles suggested 5 per cent as probably a more reasonable tax on the bus company," Wilkinson said.

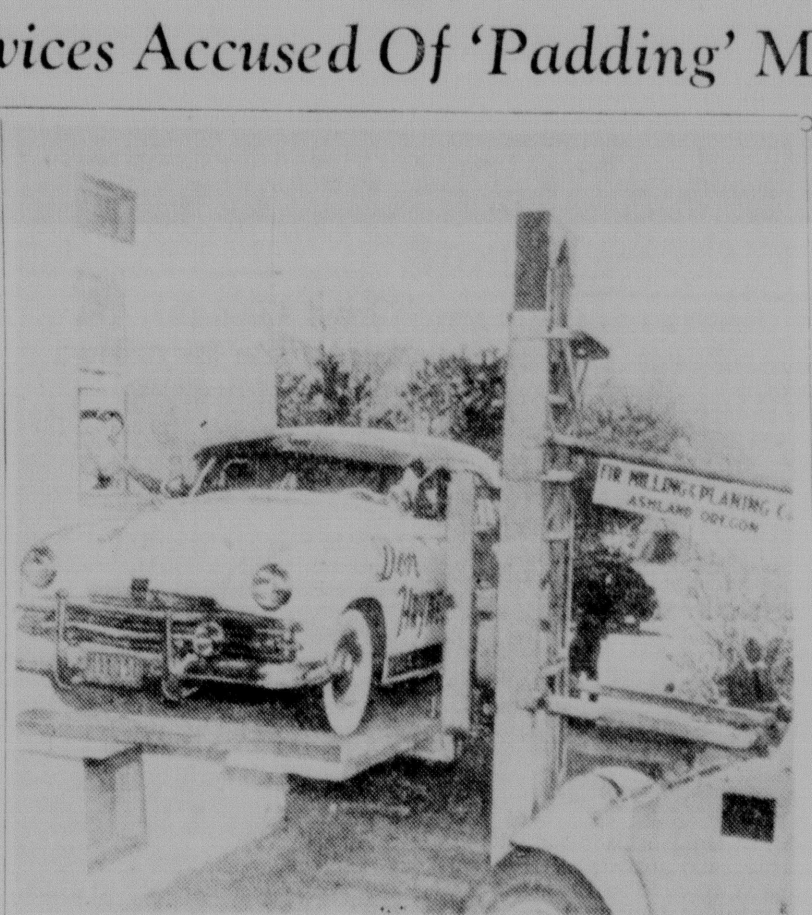

Mayor Miles earlier had indicated he was "not currently disposed to re-enter the occupation tax controversy." The council a year ago had considered a 1 per cent occupation tax on business and professional men. It was defeated by a three to four vote in the council, Miles, Pansing and Weaver voting for the tax.

**Wheel Tax Mentioned.**  
A wheel tax submitted to the voters at the same time was defeated by a substantial majority at the polls. Councilman Tom Pansing indicated Monday he might re-introduce the wheel tax. The voters might be more disposed to pass it considering city streets, Pansing said.

Mr. Foltz, operator of the Foltz Transfer company, appeared before the council and told of the occupation tax his company pays in Omaha. The company pays \$10 per year for each truck it operates there. "I'd much rather Lincoln get that money and I'd be glad to pay such a tax here," Foltz said.

The council took no action on the Wilkinson motion before its noon recess.

**DANGER, PAY ARE IGNORED IN RESCUE TRY**  
**... By Volunteers**

SAN MARINO, Calif.—(AP)—The heart-breaking, back-straining job of digging through to reach entombed Kathy Fiscus was accomplished with the kind of work you can't always buy with money.

And by men who—although they never had a chance—had their hearts pegged on bringing that little girl out alive.

The crew of workmen numbered 50 to 60, all volunteers. All did their part. Many did more. Several especially the muckers—the fellows who did the last dozen feet of pick and shovel work, were heroic.

These were the experts, veteran sandhogs and cesspool diggers. All were aware of the danger working in a narrow shaft 100 feet down in damp ground.

Raymond A. Hill, senior engineer in one of southern California's leading contracting firms, supervised the drilling of the narrow 100-foot rescue shaft.

The rotary oil well drilling rig which bored down most of the way normally costs \$500 an hour. But not this time.

"Money couldn't buy this job," Hill said. "You couldn't get men to work this hard or fast."

**Pre-primary Bill Held.**  
LB 167, amending the pre-primary law, was again considered and laid over for preparation of amendments. An amendment by Sen. Tyrdik to permit more than four endorsements if the candidate obtained 35 per cent of the votes of the convention passed.

Sen. Bohlke was granted permission to have his name withdrawn as a signer of the bill. He explained that it no longer was the bill he signed.

"That bill (for repeal) had merit," he exclaimed. "New it is so screwed up as to be perfectly asinine." The same permission was granted Sen. John Adams.

Sen. Tyrdik objected to state convention candidates from Douglas and Lancaster counties being selected at county conventions. He contended that gave the power of selection to politicians rather than the people.

Representatives of rural counties favored the plan saying it would give them more equitable distribution, because one large town in the county could now dominate selections by reason of the names being more familiar to a majority of voters.

**A Lenten Season Prayer**  
THE RESTORATION OF THE CHURCH  
And he taught, and said unto them, Is it not written, My house shall be called a house of prayer for all the nations? . . . Mark 11:17, Read Isaiah 56:1-8.

Christ by his love has given us the Church. He gives us also the means of its purification as often as there is need.

The Church is not ours to tamper with. Its nature was determined before we were born. However men try to corrupt it and to change its assigned purpose, it remains the dwelling place of God and the house of prayer for all the nations.

By the passion of Christ, the Church is made glad to suffer for its own sins, it is moved by the divine rebuke to repent.

The Church penitent goes before the Church militant. The Church militant, led by the spirit of Christ, moves with him through Calvary toward the Resurrection, to become the Church triumphant.

May our hearts be grateful for the promised day of the overthrow of all evil in the final victory of Christ.

**Let Us Pray:** We give thee thanks, thou loving Christ, that in thy dark hour thou didst pray the Father to keep us from the evil, and didst share with us the glory which he gave thee. Amen.

**Change In Setup Is Urged**

**Report Suggests Three Assistant Secretaries Of Defense Be Named**

WASHINGTON — (AP) — Former President Herbert Hoover accused the armed services today of "padding" money demands, waste and extravagance. He cited air force plans to build houses in Alaska costing \$58,350 each and army requests to modernize 102 tanks it doesn't have.

Hoover laid before the senate armed services committee a report urging appointment of three assistant secretaries of defense to take the waste and inefficiency out of military spending.

The report was prepared by a "task force" of the Hoover commission on reorganization of the government. Ferdinand Eberstadt, New York banker, headed the task force.

**Byrd Chimes In.**  
The former president backed up the report with an assertion that it now is "almost impossible" for congressional appropriation committees to make heads or tails of the army, navy and air force budgets.

Sen. Byrd (D-Va.) commented that "the defense establishment of this country is permeated with waste and inefficiency and duplication of effort."

He and Sen. Knowland (R-Calif.) said they will seek an overhauling of military budget practices.

The senate group is studying proposed changes in the law which put the army, navy and air force under a single department. Hoover was called as a witness because of the studies his commission has made.

**Chairman Proposed.**  
One proposal is to create a chairman of the joint chiefs of staff. This official would rank higher than the chiefs of staff of the individual armed services.

The Hoover commission opposed this but former Secretary of War Robert Patterson, who followed Hoover to the witness chair, endorsed it as a needed step toward closer unification of the services.

"It is no exaggeration," Patterson said, "to say that in World War II the cost in duplication, competition and disjointed effort directly traceable to the two-headed (equal army-navy) system ran to billions and billions."

He declared much of the public debt "is due to that division of authority and responsibility between the war department and the navy department."

**It Took Two Years.**  
A week after the end of World War II, Patterson said, President Truman asked the military for a defense plan for the United States. "It took him two years to get it," Patterson said. "He should have had it in two weeks."

The task force report told of a \$30,000,000 "clerical error" which cost \$9,000,000.

"During our investigation, the cost of guns was first stated to be \$19,000,000, but this proved to be in clerical error. The figure 3 had been added, causing an error of \$30,000,000. x x x

The report said the air force budget requests for 1950 also included an item of \$108,290,859 for "tropical weather uniforms," which would purchase 228,000 uniforms at \$129 apiece, enough for all the enlisted men in the army, and then some.

The report said the air force budget called for the building of 910 family homes in Alaska "at a cost of \$58,350 a house. It noted that the air force also proposed to build 828 homes on Guam at \$48,000 each and 7,000 in the United States at \$18,000 each.

The report said the army had requested \$100,000 per tank to modernize 1,213 existing M-26 tanks, forgetting that it already had turned over 102 of these tanks to the marine corps.

**Governor Peterson To Senate Hearing**

Governor Peterson left Lincoln for Washington Monday afternoon. He will appear Wednesday morning before the senate appropriations committee to ask restoration of a cut made by the house in army engineers' Missouri basin funds.

## Flood Crest Of Missouri Nears Omaha

Week-end Showers  
Cover Most Of State

(By the Associated Press)

A crest of high water was expected to reach 19.6 feet as it rolled down the Missouri river toward Omaha today while clear skies and mild weather covered Nebraska.

The flat crest was expected to reach Omaha sometime today or tonight, but it was not expected to cause any extensive flooding.

Flood stage at Omaha is 19 feet but dikes can hold back the water until it reaches a level of around 21 feet, considerably more than the expected crest of the current high water.

The river stood at 19 feet this morning, a rise of 0.3 of a foot.

Falling Upstream.  
The Big Muddy was falling from Sioux City upstream but rising slightly from Sioux City to St. Joseph, Mo.

The level dropped 0.6 of a foot at Bismarck, N. D., and Pierre, S. D., since yesterday, the weather bureau reported. At Yankton, S. D., it was down 1.3 feet and at Sioux City it was down one foot to 14.6 feet.

At Decatur the rise was 0.1 of a foot to 18.1. At Blair the water was up 0.3 to 20.9, at Omaha the stage was up 0.3 to 19 feet; at Nebraska City it was up 0.5 to 19 feet and at St. Joseph, Mo., it was up 0.4 to 17.1 feet.

At Rulo, Neb., however, a stage of 19.25 inches was reported today, a rise of approximately eight inches over night. Observers here said the stage was about six inches over the mark of 18.82 feet recorded during March.

Lapping Over Banks.

The stream is lapping over its banks in some spots, but it was not expected to cover as much land as in March when an ice block complicated the problem.

The weather bureau said overflows would be confined to bottomlands as the result of this rise along the Nebraska border. Some small local levees were breached letting the water spread across the farmlands.

There was little flooding along the tributaries of the Missouri except for the Elkhorn. The weather bureau said the Elkhorn was falling west of Platte but there was some overflow in the West Point area, which was expected to continue for the next 30 hours.

Lincoln received 1.9 of an inch of moisture during the past 48 hours the weather bureau reported.

The weather bureau said 48-hour precipitation figures for Nebraska included: Albion 41, Columbus 36, Falls City 70, North Platte 26, Hartington 19, Oakdale 28, Red Cloud 103, St. Paul 58, Omaha 24, Tekamah 04, Broken Bow 40, Cambridge 38, Holdrege 55, Burwell 29, North Loup 35, O'Neill 57, Ravenna 55, Alliance 12, Culbertson 48, Kimball 30, Grand Island 66, Norfolk 25, Valentine 57, Kearney 66, Chadron 01, Hayes Center 29, Kimball 30, Scottsbluff 01 and Sidney 24. Additionally these 48-hour totals were obtained from the Lincoln Telephone and Telegraph

## Community Chest Leaders From 11 Cities Open Meet

Community chest leaders from 11 Nebraska cities were gathering in Lincoln Monday for the opening day of the annual Community Chests of Nebraska conclave at the Cornhusker hotel.

Louis W. Horne, executive secretary of Lincoln, spoke to the morning session on "Basic Principles in Budget Making, Accounting and Collections." During the luncheon meeting, representatives discussed the new constitution and by-laws up for approval.

### Omahan Speaks.

William Sohl, first vice president of Omaha discussed chest or organizational principles and problems of councils of social agencies. "Campaigns, General Principles of Organization and Administration," was the subject of Charles Gardner, second vice president, Grand Island.

Mr. Sohl presided during the sessions, aimed at co-ordinating information and discussing mutual problems of the various state chests.

Announced at the meeting were the names of six cities contemplating establishment of chests and membership in the state organization. They are York, Falls City, McCook, Sidney, Lexington, and Tecumseh.

Tuesday the representatives will gather to hear a speech on "State-wide Action on the Problem of Multiple Appeals," by Lyman Ford, New York City, assistant director, Community Chests and Councils of America, Inc. New officers will be elected.

## Speaker For Havelock Matronettes Is Named

Mrs. L. A. Sherburn will be guest speaker at a meeting of the Matronettes of the Havelock Y. W. C. A. on April 15 at 1:30 p. m. The meeting will be held at the Y. W. C. A. center.

Mrs. Sherburn's topic will be "Your Home Need Not Stand Still."

## Rains Add More Damage To Roads

Gravel routes in the state suffered from week-end rains, state maintenance Engineer John McMeekin reported Monday.

"And they were just becoming passable, too," he said.

The Elkhorn river is receding, he reported, but high waters have resulted in one-way traffic on No. 275 near Ewing and Battle Creek. Bridge approaches were washed out in both places, but temporary one-way structures have been erected.

Nothing new has been reported on Highway 20 which was closed southeast of O'Neill by a washed out bridge, he added.

## KATHY BROUGHT UP

(Continued from Page One)

was struck at about the 40th hour of operations. However, hopes were kept up in the belief that the child was trapped above the water level. Besides, they reasoned, the well had been abandoned as dry.

But when the rescue team of Kelly and H. E. (Whitey) Blickensderfer dug through mud and water and cut into the pipe, they found Kathy lay below, not above, the cut.

"We cut a window 12 inches by 22 in the iron shell of the well," said Kelly, who required doctor's care later. "She was in upright position below us when we pulled the sheet away."

Kelly said he and Blickensderfer broke through eight and 10 cutting wheels on their electric drills before breaking through the tough old casing. Blickensderfer went to a hospital after the job of freeing the body was finished.

## News Delayed Two Hours.

The actual discovery and determination of death were made some two hours before the announcement was made public. Engineer Raymond A. Hill, supervising operations, clamped on the secrecy ban. Later it was explained this was "to ease the blow for the parents."

To the crowd pressed 30 deep against fences and police ropes bordering the field came finally an announcement over the public address system. In level tones, Dr. Paul Hanson, friend of the family, said:

"Kathy is dead and has apparently been dead since she was last heard speaking on Friday."

"Her family has been notified and we are now notifying you."

He then read a message from the family:

"There is nothing we can say to fully thank the many people who have helped us so unselfishly. Many of these people have gone home to much-needed rest. Our heartfelt gratitude goes out to them for their sacrifice beyond belief."

## Parents Are Told At Home.

The parents had received the news at home. And soon the crowd, numbering hundreds of other parents, began breaking up silently.

Thus culminated the most concerted rescue attempt of an individual since Floyd Collins was fatally trapped in a Kentucky cave in 1925. That lasted days; this hours seemed like days.

It started after Kathy, running a foot race with her elder sister, Barbara, 9, and a cousin, Gus, 5, fell behind in the dash across the vacant lot on the corner of her block. When the older children turned around, there was no Kathy.

They called and looked, and Gus almost fell into the concealed well-hole himself when he heard a faint scream coming up from below. The kids ran for their mothers.

The fire department and police were summoned.

From all of southern California men came with equipment to free the boy from the narrow pipe.

Early today, the final chapter was written. Bulldozers were working full tilt filling up the rescue pits.

And so there would be no repetitions for Father Knows Best and their moms and dads.

A giant bulldozer dug in and bent the top of the old well casing over double and sealed it tight.

## Lincoln Men Are Among Honored Chiropodists

OMAHA—(AP)—Chiropodists were told today how to use geometry and physics in diagnosing foot ailments.

Dr. Ivan M. Howe of Minneapolis demonstrated the method before the seven state regional convention of the National Association of Chiropodists.

Normal feet and legs follow geometric lines and angles, he said. By hanging a plumb line on the front, and back, and side of a patient's leg, abnormal alignment and strains of the muscles will show up more clearly.

Last night six Nebraska foot specialists were presented with certificates of 25-year membership in the association. They are Drs. Herman F. Gartner, Leo G. Gartner and Floyd L. Mason of Lincoln; and Adam J. Gartner, Felix Funder and Carl Schmidtman of Omaha.

## W. E. Stukesberry, Former Resident Of Lincoln, Is Dead

William Everett Stukesberry, 82, Filer, Idaho, a former Lincoln resident, died Saturday morning at Twin Falls, Idaho.

Mr. Stukesberry was born March 1, 1867, at Terre Haute, Ind. He lived in Lincoln until 1948 and was a member of the Presbyterian church and I.O.O.F. lodge.

Surviving are two daughters, Mrs. Alma A. Wells, Chula Vista, Calif., and Mrs. Zelma I. Luke-Shipp, San Diego, Calif.; one son, Everett, Chicago; one brother, John, Craig, Colo., and one sister, Mrs. Millie McMillin, Belgrade, Montana. Funeral arrangements will be announced later.

## Longtime Resident Of Imperial Dies

IMPERIAL, Neb.—(AP)—L. T. Bonner, who had resided in Imperial for 60 years, died Sunday.

He had long been prominent in southwest Nebraska development activities. He was a real estate dealer and had been involved in much of the early land development in the area.

Funeral services will be at 2 p. m. Wednesday.

## \$60 Fine On Driving Charge Is Appealed

Wayne J. Thompson, 44, Monday was found guilty of a charge of drunk and driving and was fined \$60 and costs with his driver's license suspended for six months by Municipal Judge Edward C. Fisher. Notice of appeal was filed and the court set appeal bond at \$200.

Thompson was arrested by city police Jan. 28 and entered a plea

of not guilty on arraignment. A series of continuations delayed the trial until Monday.

According to police testimony Thompson was arrested at Seventeenth and K streets, following an accident.

Thompson told the court that he had had two glasses of beer and that he was not intoxicated. Three officers testified that in their opinion the defendant was intoxicated to the extent that his driving ability was impaired. Two witnesses appeared in behalf of Thompson.

By Terry Adler

AP Newsfeatures

Chapter 19

"Would you mind telling me how you figured it all out?" Ellen spoke slowly and dispassionately. "It didn't take much figuring. You told me yourself that you handle all the requisitions for the department. It would be easy for you to slip an order for a small tank of phosgene."

"I see," she said quietly. "And the motive?"

"To be able to continue your affair with Russell. Hubbard stood in your way. I would guess that Hubbard was probably holding something over your head to make you conform."

"And Dr. Bray? Did I kill him too?"

"I'm afraid so," he said stubbornly.

"Why?" she demanded.

"Bray was killed because he had guessed who had murdered Hubbard."

"I see." Again she spoke quietly. "I guess it does make sense."

She sighed. Raff was puzzled. He had expected her to laugh it off at first, and then become furiously angry. He was unprepared for this quiet acceptance of what he had told her.

She began to pick up her purse and put her arms in her coat sleeves.

"Would you like me to take you home now?" he asked.

"No," she said. "I'm taking a cab home. I want you to go to the police station, right away."

"I can take you home first."

"You don't understand." Her face was very white and she spoke very earnestly. "I want this whole thing cleared up as soon as possible. And I don't want to have anything more to do with you than I can possibly help. You've made a mistake, of course. I haven't killed them. Nor do I know who did. But you'll find that out in due time."

"Wait a minute!" he interrupted.

"No, I don't want to hear anymore." The words came out rapidly. "Maybe you're sorry already that you jumped to those conclusions. I really don't care. I suppose it was an easy mistake to make. I don't hate you for it. Only I know now that you're not a person I enjoy being with."

"Thank you for the dinner to-night, Dr. Rafferty." She got up and walked swiftly out of the room.

Raff pulled out some bills and laid them on the table hastily, and then turned to follow her. He retrieved his coat and got to the entrance just as she was getting into a cab.

"Ellen," he called desperately. She didn't even turn around at the sound. He felt a nudge at his elbow. Patrick stood beside him. "Something wrong?" he asked. "I want my car. In a hurry."

"But of course. Let me have your ticket." Patrick took the ticket and went in search of the attendant.

It was a full twenty minutes

later that his car was brought around.

"Can't understand how the boy got the tickets mixed up," Patrick explained. "The car wasn't where the ticket said it was. Awfully sorry." He held the door open for Raff.

"Thanks, bud," Raff said angrily. "Incidentally how much did she pay you for the delay?"

Patrick stared stonily at Raff and then a grin spread over his wide face.

Raff slammed the door and drove away.

He drove straight to Ellen's apartment and then circled the block slowly. The windows were all dark. It's too late, he thought; she's already in bed. He thought of knocking at her door and then rejected the idea.

He swung the car around viciously. He was mad at himself for being such a fool. He was mad at Russell for getting him in such an unreasonable state of mind, and lastly, he was mad at Norton for ever getting him involved in the whole mess in the first place. The nicest, most genuine girl he had ever met, and just because some guy kissed her, he had to get jealous and accuse her of a double murder. He snorted. She was no more capable of murder than Norton himself. Mentally he kicked himself.

He drove back to the hospital, parked his car and went upstairs. In his room he poured himself a stiff drink. Then he went to bed.

Meanwhile Ellen had been sitting in a corner of the cab all hunched up. She felt cold. The thought of her bed, so warm and soft, kept running through her mind. She would go right to bed.

It wasn't true, as she had dispassionately told Dr. Rafferty, that she didn't hate him. She hated him so hard it made her whole body ache. Even that time before she hadn't quite felt this way. Even Les, her father, with all his dirty dealings, had never managed to fill her with such revulsion—a revulsion that amounted almost to paralysis. She crouched still farther in the corner of the cab. Again she thought how nice it would be to be in bed.

The cab stopped in front of the apartment. Mechanically she got out and paid the driver. She fumbled for her keys and let herself into the lobby. There was always a dim light in the lobby which somehow seemed to lend a melancholy atmosphere. It depressed her more than usual to-night. She hurried across the lobby to her own door and unlocked it.

As she opened the door a board squeaked as though someone had shifted weight. Maybe she didn't hear it. Maybe she was so cold and numb and tired she didn't care. She reached for the light switch.

It was queer. No blaze of light flared up inside her head. No fire-crackers exploded. No huge black cloud enveloped her. Just—nothing. She slumped to the floor.

Someone very quietly replaced

the poker near the fireplace and then very carefully stepped over her and went out into the lobby, closing the door to her room.

(To be continued.)

## \$3,800 Settlement Awarded Winkler For Auto Injuries

John Winkler was awarded a \$3,800 judgment against the Gamble-Robinson company and Dale Ditzler in District court following agreement of all parties in open court.

Winkler stated in his petition he has been totally paralyzed from the neck down from the time he was injured in a car-trailer truck accident near Yutan, Neb., Aug. 7, 1947. Ditzler, who was employed by the company, was driver of the trailer truck.

Winkler's petition also stated he has been confined in the Veterans hospital as a bed-ridden patient since the accident. He allegedly suffered a fractured vertebrae. He had asked for \$85,000 in his lawsuit.

## Services Tuesday For Mrs. Glieve, Former Resident

Funeral services for Mrs. Frances Glieve, 59, Minneapolis, one-time Lincoln resident who died Saturday in Minneapolis, will be held at 3 p. m. Tuesday at Hodgman-Splain chapel, Rev. A. J. Kraemer will officiate. Burial will be at Calvary.

Born July 8, 1889, in Lancaster county, Mrs. Glieve was a graduate of the University of Nebraska and of a Chicago nursing school. She was a member of the Catholic church.

Surviving are her mother, Mrs. Kate Dorr of Lincoln; one son, John, of Berkeley, Calif., and one brother, Harry Dorr of Lincoln.

## Funeral Services Held Monday For Mollie T. Katz

Funeral services for Mrs. Mollie T. Katz, 73, 2554 Wooddale street, were held Monday, 10 a. m., at Wadlows. Mrs. Katz died Saturday at a local hospital.

surday at a local hospital.

Rabbi Jerome Kestenbaum was in charge of Lincoln services.

Burial will be in Louisville, Ky. Mrs. Katz was a resident of Lincoln for 13 years, coming here from Denver, Colo. She also had lived at Louisville.

Mrs. Katz was born Nov. 14, 1875, in Russia. She was a member of Tifereth Israel synagogue and its sisterhood.

Surviving her are four sons, Sidney and Herman, both of Lincoln; Abe of Louisville, Ky., and Ben of San Francisco, and a daughter, Mrs. Sophia Simons of Denver.

To stretch leftover chicken use it in a loaf, serve it with a mushroom sauce.

## Picnickers Advised Get Permission To Use Private Grounds

Three separate groups of youthful picnickers in the area just south of Pen woods had their fun broken up Friday evening by the county sheriff's office.

Deputy Sheriff Les Hasson said Saturday he ordered them out of the area since the farmers owning the property had phoned in complaints.

Hasson said that in the future anyone wishing to picnic on any private property should first ask the permission of the owner to avert any trouble.

Since many of the picnickers were of university age, the University of Nebraska

student affairs office was notified. Frank Halgren, assistant dean of student affairs, said official notes would be sent to them to first secure permission before going on privately-owned property.

# 1500 NEW BUTTONS

Hundreds and hundreds of beautiful buttons—all colors, designs and sizes. You can have dozens of "sets" for dresses, etc. These are "left over" stocks of large manufacturers who make buttons for the makers of expensive blouses, dresses, shirts and other fine garments. Two Of Seven Votes

Every Nebraskan, man or woman, who believes that America does have a heavy responsibility at this time to contribute to a stable, peaceful world, noted that two of the seven votes cast in the United States senate against the European recovery program came from Senator Kenneth Wherry and Senator Hugh Butler. Nebraska was the only one of the 48 states whose two senators were recorded in the negative. Senator Butler frequently seems to feel that his position is misunderstood in this state. He could help that out a great deal—in fact, both Senators Butler and Wherry could clear away confusion by changing their tactics—by reversing a position consisting solely of opposition to an outline of their program in international affairs. If they do not like what is proposed—the time has come for them to do some proposing of their own. What is Nebraska's position on international affairs?

Captive Thought

Now comes a paralyzing fear from a technological world. At the opening of that remarkable convocation at the Massachusetts Institute of Technology, Dr. John Ely Burchard predicted not only

the early "conquest of space" but foresaw at some time, more forbiddingly, development of an ability to control man's thoughts with precision. The world has had a substantial dose of that, in free countries it has not been appreciated. It was at that point that the free world, represented by Winston Churchill, protested against "a spark, coming to the human mind from God knows where, which could at any given moment put even a most efficient system of thought on trial for its life." Amen!

A Bill Of Particulars

This acknowledges a letter from Rep. Karl Stefan of the Third Nebraska district written in Washington in reply to criticism of a speech made by Mr. Stefan at the republican Founder's Day gathering in Lincoln a short time back.

Congressman Stefan writes:

"I read with a great deal of interest your recent editorial regarding 'communist cells.'"

The communist party is today organized in some 600 cities, towns and rural communities of the United States. In 1917, when the communists overthrew the Russian government, there was one communist for every 2,277 inhabitants of Russia. In the United States today there is one communist for every 2,464 inhabitants. And what is more significant are the avowed assurances of the communists themselves. That for every party member there are 10 others—ready, willing, and able to do the party's work. What are its implications? Just this. The cancerous growth of a potential fifth column's strength in excess of 590,000 operating under the control of the party itself. This statement is authorized by the director of the federal bureau of investigation. I would appreciate your reading my speech of April 7, in connection with FBI appropriations.

Perhaps, Mr. Stefan has forgotten exactly what he said at the Founder's Day gathering in Lincoln. It was not a part of the formal speech he had prepared, we are informed, it was an aside tossed in, in impromptu spirit for that heart-warming group of party associates.

Unless misquoted in the news column what he said was that "there were communist cells in Lincoln," and what we asked him to do was to name them by name prove his charges, or turn them over to the FBI for checking. Frankly, we do not believe that there are any; we believe that there is not a more American city in America than Lincoln. We think that when he strayed from his manuscript to toss in that crack about communist cells in Lincoln, Mr. Stefan was talking through his hat.

There are, for his information, in Nebraska alone more than 500 incorporated cities and towns. There are in the United States thousands of cities, towns, villages and rural areas. If Mr. Stefan is going out to hunt communists he is going to have to shoot straight instead of firing blindly into the air; that is, if he expects to bag anything.

OFF THE RECORD

By ED REED

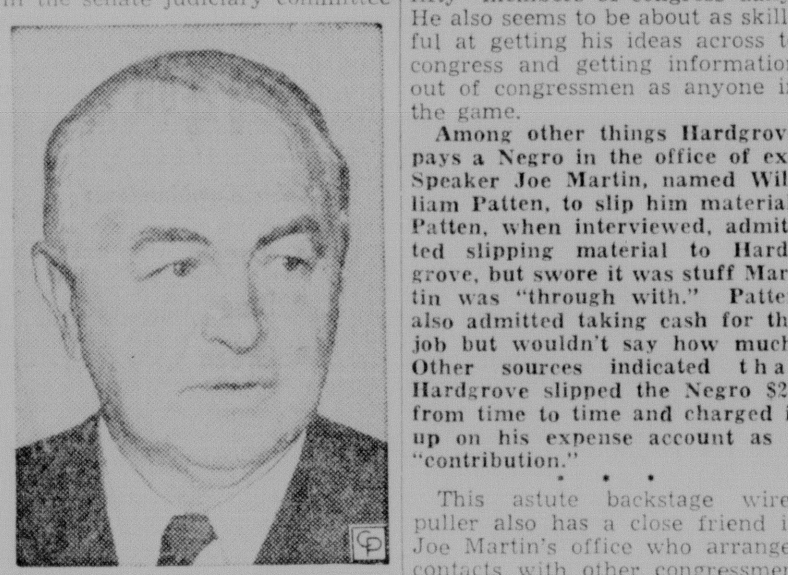

"Makes you feel important—eh, Mike; having a big shot congressman living on your route?"

The DAILY WASHINGTON MERRY-GO-ROUND

By DREW PEARSON

WASHINGTON — The late and lamented 80th congress was widely publicized as one of the most lobby-ridden in many years and probably deserved that reputation. When it was thrown out of office last November, democratic leaders announced that the 81st congress would immediately start an investigation of lobbyists, and to that end conscientious Senator Kilgore introduced a resolution calling for a sweeping probe.

That resolution is still stymied in the senate judiciary committee.

PEARSON says that the 81st congress is about as lobby-ridden as its predecessor, the 80th congress. But this time the lobbyists have been smarter in their labors, they have gone "underground." A resolution introduced by conscientious Senator Kilgore (above) is still smoldering in the House Judiciary committee.

where Senator Wiley of Wisconsin, republican, is staging a one-man filibuster in the subcommittee.

Meanwhile, the new 81st congress is just about as lobby-ridden as the old — possibly more so. There is one big difference, however. This time the lobbyists have been smarter. They work in disguise. One device is to pressure a few key business friends in a congressman's home district. Another amazing device has just been uncovered.

Most senators and representatives don't realize it, but one of the most adroitly organized lobbies in Washington supplies them with an analysis and summary of pending bills every morning.

What most of the congressmen don't know is that this lobby is financed by some of the most powerful manufacturers in the U.S.A., which means that big business has arranged to have its own nutshell digests of pending legislation placed on the desks of senators and representatives every morning.

Since congressmen are harassed and busy people, and since it is extremely difficult to keep up with all legislation, it is a great convenience to have legislation summarized and digested. However, any slanting of those digests or any questions asked in the memos accompanying the digests can influence the entire congress on important issues.

The lobby which concocted this extremely clever way of swaying congress has adopted the dignified and all-embracing name of the American Enterprise association. It also hides behind some high-sounding camouflage about being an "educational and non-partisan body . . . tries to be impartial in its work . . . takes no stand either in favor of or against proposed legislative measures."

Yet its contributors and officers are some of the most influential big businessmen in the country, most of whom support the militant National Association of Manufacturers and the Foundation for Economic Education, crusaders against rent control, aid to education, the national health program and other measures which might increase corporation taxes.

The officers include: Lewis H. Brown, board chairman of Johns-Manville; ex-Senator Sinclair Weeks of Massachusetts, president of United Carr Fastener; Robert L. Lund, past president of NAM; Fred A. Poor, president of Poor and company; and N. Baxter Jackson, president of Chemical Bank and Trust.

Among the more active trustees are Alfred C. Fuller, founder of Fuller Brush company; Edward H. Little, president of Colgate-Palmolive-Peet; Hughston M. McBain, president of Marshall Field; Henry P. Bristol, president of Bristol-Meyers; B. E. Hutchinson, financial chairman of Chrysler; Wilfred Sykes, president of Inland Steel; Thomas Dreyer, president of American Steel Foundries; and Henry D. Sharpe, president of Brown and Sharpe.

This is the group which every

OLD FORT KEARNY.

Minden, Neb.  
To the editor of The Lincoln Star: The Friday, April 1, issue of The Star carried an editorial entitled "Seven Pillars of Interest." It was very well-written. It pleases us very much to know that the editor of the paper has shown so much interest in the historic site of Fort Kearny. Your interest has meant much towards creating good will for this park.  
OSCAR WARP.

COMMUNITY SERVICE

Lincoln, Neb.  
To the editor of The Lincoln Star: You have done such a grand job during recent weeks that I cannot refrain from letting you know how much I appreciate your fine writing. I was particularly interested in and helped by your editorials following the recent primaries in Lincoln. Keep up the good work. You are rendering spartan service to the whole community.  
S. VIN WHITE.

RURAL LIFE GATHERING

Lincoln, Neb.  
To the editor of The Lincoln Star: We appreciated very much the coverage given to the Midwest Conference on Rural Life and Education by The Lincoln Star. The public relations department here at the university, and especially Ken Keller, were invaluable to us in gathering together the information and making it available to the newspapers.  
W. C. MEIERHENRY.

POWER OF THE PURSE

Lincoln, Neb.  
To the editor of The Lincoln Star: As was expected, the bill to set up a small Hoover commission to reorganize the state government of Nebraska was killed. There isn't any call for such a commission. The budget committee has it in their power to reorganize and cut down the personnel and expenses of the different departments by cutting appropriations. That will do the trick. That's what we did in 1923 and the business of the state ran as usual. Money is the whole secret.  
B. S. KECK.

A SPECIFIC PURPOSE

Nebraska City, Neb.  
To the editor of The Lincoln Star: A few days ago the legislature voted to kill all the bills to raise salaries which undoubtedly made us all sigh with relief. Then within a few more days they voted to put the old age assistance head tax into the general fund. Now today they brought out those salary bills again, sure they will pass. It just does not seem merely a coincidence that these two bills are enacted simultaneously. My personal tax schedule says the head tax is for old age assistance. I may be funny that way but when taxes are collected from me for a specific purpose, that's where I expect them to go.  
READER.

NOTE: The salary bills again were put to death.

OUT OF THE MUD.

Lincoln, Neb.  
To the editor of The Lincoln Star: Two million dollars annually—a whole lot to pay for something "better than nothing." That is what a farm bureau spokesman said concerning the Schroeder rural route graveling operations. "Better than nothing"—what a legislative price to pay for listening to Charlie Marshall's boys! This sum, together with the million dollars lost annually in gas tax exemptions to the big tractor farmers, means that three millions are being wasted annually in following the advice of the farm bureau autocrats. They wait "out of the mud." So did the old saddlebag dogger in Nemaha county, but he knew that getting into the mud brought prosperity to the farmer, so he didn't grunt about it. He took it in stride. He loved his profession and his fellow men—

WASHINGTON CALLING

by MARQUIS CHILDS

WASHINGTON — The strong likelihood is that the trial of Alger Hiss on a charge of perjury in connection with the allegation he was a communist agent will be postponed again. If the request of Hiss's counsel is approved, the trial of the case will go over into the May.

There is no inclination in the Department of Justice to go along with unnecessary delays. The case the government will present has not altered in any way in its main outlines since the indictment against Hiss was returned by a grand jury in New York last December.

The desire of every American should be to insure a fair trial on the facts in this all-important case. It is possible that the postponements, which thus far have not been abnormal, serve that end. As the weeks have passed, the case has dropped out of the headlines. Those headlines were part of the supercharged atmosphere of fear and suspicion created by the methods of the House Un-American Activities committee.

A fair trial would hardly have been possible in such an atmosphere. And the assurance that justice will be done, quite apart from the passions and prejudices of the moment, is in my opinion supremely important.

Some weeks ago in this space I tried to discuss what seemed to me the tragedy of the story unfolded by Whittaker Chambers before the Un-American Activities committee. Whether one accepted it as true, or part of it as true or the whole of it as an invention, nevertheless it seemed to me to be the tragedy of a lost intellectual in his fumbling, conspiratorial relationships with other lost intellectuals.

Apparently I failed to say what I meant. Letters from readers accused me of defending confessed communists. On the other hand, Hiss's friends felt that I had prejudiced his case.

Two things seemed to me then essential to keep in mind, as they do today. The first is to preserve our institutions from attacks both from within and without. The second is an effort to understand why Americans fall for communism. At the core of our freedom is

he didn't think more of an automobile than he did of suffering humanity. That talk about having trucks back up to your door to haul livestock so as to avoid shrinkage—\$10,000 a mile for gravel to save a natural shrinkage—that has followed the livestock industry from its incipency—for a few complaining persons! What are we coming to?

A FREE GOVERNMENT.

Lincoln, Neb.  
To the editor of The Lincoln Star: As one who voted for the amendment to the city charter to give Lincoln more general fund money, I would like to offer a suggestion or two. The need for added revenue seemed essential to over seven thousand voters, and naturally they will be disappointed that the money was not granted. But I would also like to speak a word for the over eight thousand voters who could not see things as we did. They were exercising their rightful prerogative to vote as their judgment dictated. The mere fact that we do not agree with them ought not to cause us to feel superior or to condemn them. Rather it seems to me we should rejoice we still

Newspaper Awarded

ALLIANCE, Neb.—(AP)—The junior chamber of commerce award for community service has been given The Alliance Times-Herald. Jaycee officials said each year they pick an individual or company for the award, which is made by the national organization.

# Germans Ask More Freedom

Press Cool Toward Western Allies' Plan Of Self Government

BONN, Germany —(AP)— The western allies have given Germany a treaty returning a measure of self-government to that defeated country. But the Germans say it doesn't give them enough freedom to run their own affairs. The treaty—called an occupation statute—was handed Dr. Konrad Adenauer, president of the German parliamentary council, yesterday by representatives of the United States, Great Britain and France.

The parliamentary council is charged with writing a constitution for a German republic composed of the occupation zones of the three western powers. The occupation statute could become effective as soon as this new German government is set up. This may be by July 1.

Adenauer and other political leaders have agreed to withhold comment on the treaty for 48 hours, but the German press lost no time in attacking it.

The newspapers object particularly to provisions giving the allies continued control of German science and foreign trade relations.

The Berlin Sozialdemokrat, organ of the social democratic party, called "allied" control of scientific research "intolerable" and declared "the German economy will be able to compete on world markets only if it is allowed to develop its industries technically."

Allied control of research was intended to prevent German development of any new means of war potential. Under the statute the Germans will have full independence in domestic matters other than those specifically reserved to the three western powers. They will have a free legislature, executive and control of their own law courts.

The occupation powers pledge respect for the civil rights of Germans against arbitrary arrest, search, seizure and unfair trial. They also pledge to review the statute after a year.

In making tea always allow the leaves to steep three to five minutes; as soon as it is steeped pour into cups or into another teapot.

By EDGAR A. GUEST

### THE PRICE

From the rigors of winter a lot of us flee to climes where much gentler the breezes will be. Where his mate from a tree top the mocking bird calls. But all charms have a price for the pleasure they bring. Where winter's unknown they may never have spring.

Where the trees never sleep and the streams never rest. Where seldom the skies in gray mantles are dressed. Where the flowers never fade 'neath a withering frost. The joy of the change of the seasons is lost. Where never comes winter to bluster and sting. They have never the joy of the coming of spring.

Though winter is heartless and cruel and cold. There is this in its favor and praise to be told. When its harsh rule is ended, behind it is seen. The glory of growing things once more again green. The first trees in blossom, the birds on the wing. For winter's price that we pay for the spring. (Copyright, 1949, Edgar A. Guest.)

## MERRY-GO-ROUND

(Continued from Page Four)

brought up some unpleasant memories for republican Clarence Brown of Ohio and Dixiecrat Gene Cox Georgia during the rules committee debate on Taft-Hartley repeal legislation.

As an alibi for their filibustering tactics against the repeal bill, both Brown and Cox insisted that the legislation, as reported by the house labor committee, had been drafted so hastily that it would be "messed up" on the floor like the veterans pension bill which Mississippi's John Rankin railroaded out of the veterans committee.

"As I recall, neither of you questioned the Rankin bill when it came before the rules committee," Madden reminded Brown and Cox. "Neither of you opened your mouths when Rankin asked for a vote for his bill. Yet you are trying to smear the labor committee for allegedly doing the same thing Rankin did."

"I find it had to justify such inconsistency. Maybe you gentlemen can enlighten me."

For once the two usually loquacious legislators had nothing to say. They sat in sheepish silence.

Madden also reminded Brown about how the labor committee railroaded the Taft-Hartley bill to the floor, over democratic protests when the republicans controlled congress.

"You contended then that the republicans had every right to do so because they were the majority party and were acting under a mandate from the people in the 1946 election. Maybe you haven't heard about another mandate voiced by the people in 1948."

## Lamp Presented Legion To Honor Rev. H. C. Capsey

An emblem lamp was presented by the Capsey family at a meeting of the American Legion auxiliary Friday in memory of the Rev. Harold C. Capsey who served as first department chaplain of the Nebraska American Legion and first chaplain of Lincoln Post No. 3. Rev. Capsey also served for many years as senior chaplain to the Nebraska National Guard.

His daughter, Mrs. Dorothy Capsey Sutter, following a memorial tribute, presented the lamp to Mrs. J. D. Miller, president of the Lincoln unit.

A poppy program was presented by Mrs. Genie McGlasson, state poppy chairman, assisted by Mrs. Vincent Blinde, soloist and accompanied by Mrs. R. D. Stage. Poppies made by veterans at the Veterans' hospital are to be sold here, April 30. Mrs. McGlasson stated that citizens will be able to buy a poppy that day in honor of the veterans of both World wars and should wear it on Memorial day. Mrs. W. A. Miller, local poppy chairman, urged members to aid in the sale.

### Girls' State June 6-12

Cornhusker Girls' State is to be held June 6-12 on the University campus. Mrs. J. C. Mitchell, Executive, president of Girls' State was introduced. Mrs. Miller, local president, announced Girls' State committee chairmen: Mrs. L. W. McEvoy, transportation; Mrs. Carl Johnson, registration; Mrs. Chet Wilson, properties.

The unit nominating committee for officers to be elected in June is Mrs. Otto Hackman, Mrs. Carl Johnson and Mrs. Fred Strasser. There will be a county meeting at Hickman, April 19. Those wishing transportation please contact Mrs. Miller, 3-5861.

Mrs. Paul Neishwanger announced the unit membership 495 to date. Mrs. R. D. Stage, child welfare chairman, stated \$118 was spent last month for child welfare. Mrs. H. W. Jespersen has made favors for the men at the veterans' hospital at Easter time. Mrs. Virgil Kittrell told of the work done by the Kensington field at the Al Sweetman. 20 hospital supplies, 13 cretonne cushion covers were made and 15 robes purchased.

It was announced, there will be an evening meeting April 13 and members are asked to bring cookies to be boxed and given to the "shut in" members.

Mrs. Guy Parsell, Americanism chairman, reported presentation of a flag to the YMCA.

Report of the Inter Club council was given by Mrs. Otto Hackman.

Mrs. I. R. Dana has arranged a poppy radio program to be given April 23 at 7 p. m.

### Mrs. Merle Dana Services Wednesday

Funeral services for Mrs. Merle Marie Dana, 33, 6544 Garland street, wife of Rev. Merlin Dana of the Havelock Christian church, will be held Wednesday at 2 p. m. at the Havelock Christian church. Mrs. Dana died Saturday afternoon.

Rev. John Alber will officiate assisted by Eliza Hawkins. The church choir will sing accompanied by Mrs. John Lee. Burial will be at Pleasant View cemetery near Milford.

Pallbearers are: B. Tyrrell, H. N. Densmore, Floyd Wiseman, Robert Cunningham, Myron France, William Brown. Friends and relatives are asked to send money to the living memorial fund of the Havelock Christian church in care of H. N. Densmore, in place of flowers.

## Ex-Gov. Osborn Is Critically Ill

MARRIED ADOPTED DAUGHTER

POULAN, Ga. — (AP) — Michigan's elderly former Gov. Chase S. Osborn, who rose from a sick bed Saturday to marry his adopted daughter, remained in a critical condition today.

His doctor, J. J. Crumley, said yesterday the 89-year-old friend of nine presidents was near death. A few hours later, however, he reported Osborn had made another of his amazing rallies and was resting comfortably.

Crumley said the aged philanthropist made a miraculous response to a blood plasma transfusion and a glucose injection. But, he added, Osborn still is in grave condition.

"Michigan's grand old man" married his adopted daughter, 55-year-old Stellanova, Saturday in his Georgia retreat, Possum Poke in Possum Lane. Mrs. Osborn said the adoption was dissolved shortly before the ceremony for sentimental reasons.

Since her adoption in 1937, Mrs. Osborn has been the rugged old republican's constant companion, nurse and biographer. They have written several books together.

## Midwest Airline Plans Submitted For CAB Approval

DES MOINES — (AP) — Two or three suggested plans for operation of proposed airline routes in the midwest have been submitted to the civil aeronautics board by the Iowa Airplane company.

"We hope to get under way by this summer," F. C. Anderson, company president said today. "Things look favorable to start operations."

The CAB earlier ordered the company to begin feeder line operations by July 1. The company has proposed rates in Iowa, Ne-

braska, South Dakota and Minnesota.

Anderson said the company still has "airport problems" with seven or eight of the towns on the proposed routes without airports suitable for air carrier service.

He said this complicated the program of serving all of the towns on the proposed routes. He did not name the towns without airports, nor did he disclose the proposals submitted to the CAB.

Cities on the routes include Atlantic, Creston, Des Moines, Boone, Ames, Fort Dodge, Mason City and Sioux City in Iowa; Lincoln, Beatrice, Fairbury, Hastings, Grand Island, Kearney, Lexington, McCook, Norfolk, Fremont and Columbus in Nebraska; Yankton and Mitchell in South Dakota; and Albert Lea, Austin, Rochester, Owatonna and Fergus in Minnesota.

## Governor Opposes 'State In Rent Control Business'

Gov. Val Peterson declared today he is "definitely opposed to the state of Nebraska going into the rent control business because it means creation of another bureau and added expense."

He said he had been studying the rent control situation.

"If controls are to be continued," he said, "I prefer they be continued under existing federal laws."

The governor indicated he had been meeting with "interested" parties to discuss whether any state action should be taken or whether possible decontrol should be left in the hands of the municipalities.

## Resident Of Burr Hurt In Accident

Mrs. Mary Suggen, 43, of Burr, was reported in "good" condition at Lincoln General hospital Monday after hospitalization following an accident a few miles south of Douglas Sunday night.

She was treated for lacerations and bruises of the left leg. The safety patrol had no other information available on the accident.

## Hall New President Of Norfolk Jaycees

NORFOLK, Neb. — Jim Hall has been elected president of the Norfolk junior chamber of commerce, succeeding Tom Hughes. Other new officers are William Travis, first vice-president; Dr. John Pollock, second vice-president; Grover Rasley, treasurer; Ted Finley, secretary; Jack Levin, director to fill a vacancy; and John Blankenship, state director.

### MUNICIPAL COURT

VIOLATING STOP SIGNALS — Earl Hughes, 3024 Wendover, pleaded guilty, fined \$1 and costs. Frank J. Weber, 2938 Plymouth, pleaded not guilty, tried. Found guilty, fined \$1 and costs. Culick, 901 So. 25th, Myron Hatch, 2024 D. pleaded guilty, each fined \$5 and costs. VIOLATING SCHOOL STOP SIGNAL — Lloyd H. Heigerson, 901 So. 25th, pleaded guilty, case dismissed by the court. CARELESS DRIVING — Frank J. Leary, Jr., 1916 Dakota, Will Kempkes, Palmyra, Neb., pleaded guilty, each fined \$5 and costs.

FAILURE TO YIELD THE RIGHT OF WAY — August Baumgart, 215 No. 21st, pleaded guilty, fined \$5 and costs. Charles F. Durham, 3024 Orchard, pleaded not guilty, tried, found guilty, fined \$5 and costs. FAILURE TO SIGNAL FOR A TURN — Burton C. Hoefs, 4303 No. 63rd, pleaded guilty, fined \$1 and costs. PASSING ON A VIADUCT — Jacob Wyant, 700 Charleston, pleaded guilty, fined \$1 and costs.

SPEEDING — Doris E. Dovek, 1142 Rose, William G. Cooper, 5305 Huntington, pleaded guilty, each fined \$6 and costs for 28-29. Loren L. King, 2121 No. 29th, George R. E. Nall, 3211 Holdrege, pleaded guilty, each fined \$10 and costs for 40-25. Gerald D. McCracken, 2271 Holdrege, pleaded guilty, fined \$12 and costs for 42-25. ILLEGAL TURNS — James L. Curtis, Jr., 3707 Holdrege, pleaded guilty, fined \$1 and costs.

BACKING AGAINST TRAFFIC — Albert H. Grinstead, 3705 M. pleaded guilty, fined \$1 and costs.

IMPROPER MUFFLER — Jerry V. Weiler, 3016 Woodside, pleaded guilty, fined \$1 and costs.

PETTY LARCENY — John Bacon, 2038 O. Albert Johns, 430 So. 18th, pleaded guilty, each fined \$10 and costs. DRUNK AND DRIVING — Wayne J. Thompson, 1931 Euclid, entered plea of not guilty, Jan. 22, tried, found guilty, fined \$60 and costs with drivers license suspended for six months, notice of appeal filed and court set bond at \$200.

## Doctor To Check Amnesia Victim

GRAND ISLAND, Neb. — (AP) — There were no new developments today in the case of the young amnesia victim being kept under observation here, Police Chief Ralph Spencer reported. The victim, a 15 or 16 year old girl, was found about 4 o'clock Saturday morning on Highway 291 between Grand Island and Hastings, walking in the rain. Plans are being made to take the girl to Hastings today for an examination by a physician at the state mental hospital at Ingleside. She will be returned here for further observation after her examination.

### Annual Bankers Tour

OMAHA — (AP) — The Nebraska Bankers association annual tour will begin April 18 at Omaha. Stops include Hastings April 19, Alliance, April 20, Broken Bow April 21 and Columbus and Norfolk April 22. J. O. Peck of Columbus, past president, has advocated an agricultural program, for the association. Its officers were to meet here Wednesday to consider such a program.

## State Offices Will Be Open Arbor Day; To Close On Apr. 16

State offices will remain open Arbor Day, April 22, because the legislature is in session, Governor Peterson announced today.

Normally, the building would be closed for observance of the state holiday.

But to allow state employees to go home for the Easter week-end, the governor said the statehouse will be closed Saturday, April 16. The legislature adjourns Thursday noon for an Easter recess.

# Follow good neighbor Reece Around the Clock

From 4 to midnight, Sanford M. Reece works at a South Bend radio station—the high spot of his busy day's program!

You'll see how to get a lot of living out of 24 hours of day!

How to support a family in spite of high living costs . . . how to become a good neighbor in an "adopted city" . . . how to make the kids tolerant, useful citizens—These were the problems that faced Sandy Reece when he moved to South Bend, Indiana, four years ago.

To solve them would be a large order. And like everyone else, he had only 24 hours a day to do it in! Was there a way to make every minute count? Could he find time to earn extra money, help out in community projects, be a good father, too . . . ?

From 9 to noon, Sandy writes radio shows at home. Such free-lance jobs, plus extra broadcasts, radio writing class at Notre Dame, add \$1250 a year to his regular pay as announcer. Wife Ginny handles files, helps schedule his time.

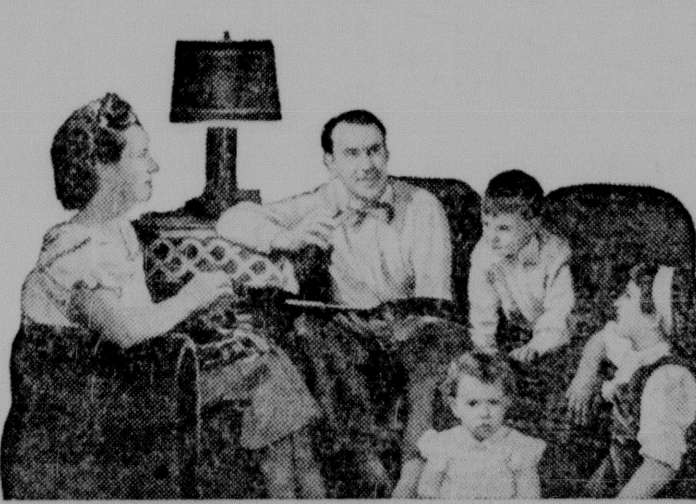

Afternoons, Sandy devotes time to his town! He helped arrange YMCA's adult education program, produced school pageant. "Working with your neighbors, you feel more at home," he says.

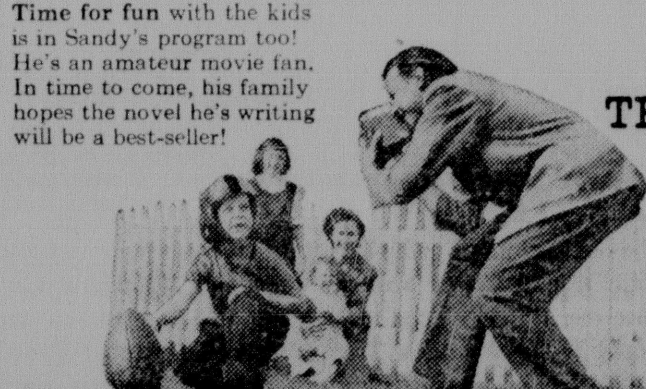

"Puppet time" for Sandra and Buddy! They're making puppets of their own, and planning a show for neighborhood kids! The Reeces believe that doing things as a family helps the children feel secure.

Between his shows at the radio station, Sandy is active in South Bend's little theatre group. It's a big source of inexpensive fun for him and Ginny. A drama major when he was at college, Sandy directs, Ginny acts, they build the stage sets together . . . and South Bend citizens get good plays!

Like their hours, they "stretch" their money! By such things as smart use of leftovers, Ginny feeds the whole family on \$20 a week. House costs \$65 a month. Their life insurance program is budgeted at \$60 a month. It was planned with their life insurance agent to include "college fund" for Sandra, Buddy and little Robin. By planning this future for his family and arranging his time to do more than his job, Sandy Reece is a good neighbor—and a good citizen!

Time for fun with the kids is in Sandy's program too! He's an amateur movie fan. In time to come, his family hopes the novel he's writing will be a best-seller!

## THE LIFE INSURANCE COMPANIES AND THEIR AGENTS

The Reeces, like other American families, prove to all of us that the only way we really solve our problems is by our own efforts!

These stories of real families much like yours also show how much more success, how much more happiness is possible when you have peace of mind . . . the sort of peace of mind that comes from wise management of

money now, and from knowing that future security has been adequately provided for.

The Life Insurance Companies and their Agents bring you these American family close-ups because what this country amounts to depends upon what happens to its homes!

INSTITUTE OF LIFE INSURANCE 60 East 42nd Street, New York 17, N. Y.

# Explosion In Church Kills Six

Many Injured In Gas  
Blast At Marion, S. D.

MARION, S. D.—(INS)—Six communicants were counted dead today and 45 injured when an electric spark touched off a tank of butane gas in Marion's St. Mary's Catholic church on Palm Sunday.

The explosion rocked the church 10 minutes before the Rev. Joseph Zimmerman was to begin mass. A shower of stone and timber fell on the worshippers and the church was demolished.

Father Zimmerman was pinned under a giant timber from the roof. He had entered the church moments before. A long spike from the beam pierced his side, but his injuries were reported not serious.

The dead were listed as Charles McGinnis, Mr. and Mrs. John Marso, Mrs. George Bittner, Mrs. Phil Luke and Mrs. Peter Reding.

Only Tower Remains.

The injured, two of whom were reported in serious condition, were taken to hospitals in Mitchell, Yankton and Sioux Falls, S. D. Some, however, were treated in nearby Marion homes.

The small farm community of about 800 persons in the southeast corner of South Dakota was rocked by the disaster. Most of the parishioners were close friends and many were related.

Only the tower of the Gothic designed church remained standing. The four walls were flattened.

Officials said they believe an electric spark ignited a tank of butane gas in the basement of the church, which was used to heat the structure.

Hubert Luke, a young farmer seated in his pew in the organ of the church, told International News Service that two minutes after he knelt to pray he felt a terrific explosion.

He continued:

"I had noticed that there were about 75 persons already seated. Many of the people were still talking to their friends outside. Miraculously I was uninjured. I ran outside and stood there a moment, stunned."

"There were women and children screaming and calling for help from within the church."

## One Man Hurt In Truck-Taxi Collision

Walter Beckman, 54, 5020 South street, suffered bruises on the head and shoulders Saturday night when the pickup truck he was driving was involved in a collision with a taxicab at Fifteenth and N streets. He was treated at a physician's office and released.

Beckman was driving south on Fifteenth street when his truck and the taxi collided in the intersection at N. The taxi, driven by Paul E. Vercio, 23, 1941 North Thirty-first, was going east on N at the time of the collision.

## Man Fined \$130 For Driving Violations

Lester E. Smith, 37, 2012 Vine, was fined a total of \$130 by Municipal Judge Edward C. Fisher after he pleaded guilty to city charges of driving on a suspended license, careless driving and for improper brakes on his car.

According to police, Smith was arrested Friday afternoon at Eleventh and O streets after his car was observed weaving.

Smith told the court that his license was suspended in Fairbury last July for two months, on driving charges and that he had just failed to get his license back.

## School Heads Must Meet Requirements Set By State Law

An attorney general's opinion said today that a person not holding at least a Nebraska initial administrative and supervisory school certificate would be ineligible for appointment to the office of county superintendent.

Jefferson County Attorney Robert V. Denney asked if appointment of a person without the necessary qualifications would be valid in the event there are no qualified applicants for the position.

Denney wrote that the present county superintendent has submitted his resignation effective June 1. He said there are no applicants for the job. One person has shown an interest but she does not have the necessary qualifications.

## Berle Appeal Raises More Than Million

NEW YORK—(AP)—The total pledged for the Damon Runyon memorial cancer fund through comedian Milton Berle's 16-hour television appeal may be almost \$1,250,000.

The National Broadcasting Co. said the compilation had reached \$1,010,401 last night, and telegraphed pledges still were pouring in.

NBC said final figures might be in today. An estimated 10,000,000 persons saw and heard the show, broadcast by stations in 12 cities from Boston to Washington to St. Louis.

Berle's "teletoon" — from noon (EST) Saturday to 4 a. m. yesterday — was assisted by more than a hundred other entertainers and celebrities.

Berle, working under hot television lights, wouldn't quit until the pledges to fight cancer totaled well over \$1,000,000.

He kidded, clowned, pleaded, recorded television pledges, and auctioned a calf, automobiles and other articles. Every hour he changed his shirt, soaked with perspiration. He changed suits three times.

## \$160 Taken From N.U. Fraternity

Theft of a cash box containing \$130 in currency and \$30 in checks from the Beta Theta Pi fraternity at the University of Nebraska was discovered Saturday night by Robert J. Easter, fraternity treasurer.

Easter told police he had opened the box Friday night and then replaced it in the bottom drawer of a chest in his room. Saturday night when he went to open it to cash a check it was missing.

Fraternity members reported that in the same room there was an empty, locked safe they have never been able to use because the donor did not have the correct combination and the fraternity has been unable to get the safe opened.

CLEAN STREETS FOR UNIVERSITY PLACE—A group of enterprising University Place businessmen turned "street cleaner for a day" Sunday to give the business district a bath. The men, who "got tired of waiting" for the street department, borrowed a hose from the fire department and went to work. Shown washing the mud and dirt from the streets are (left to right) Milt Hester, Allen Pitts, Charles Novak and Bob Gilliam (observed by Pitts). Hester, chairman of the University Place Business Men's association retail division, said the men do not blame the street department. "With the equipment it has, it simply can't get everywhere it's needed," he said. The group washed Forty-eighth between Baldwin and Cleveland, and half a block east and west of Forty-eighth on St. Paul and Madison. (Staff Photo).

## Deadline Is Delayed

... For Peace Answer

NANKING — (AP) — Semi-official sources said tonight the communists had postponed until Friday the deadline for the government's answer to peace proposals.

Originally the answer to the red demand for virtual surrender of government troops was due tomorrow.

Assurances have been given, Chinese sources said, that the reds will not cross the Yangtze river before Friday.

Government leaders pondered their answer during the day. No decision was announced here. Residents who were able deserted the capital.

## Butler Sponsors Tidelands Bill

WASHINGTON—(AP)—Senator Butler (R-Neb) is one of 29 senators who joined with Senator McCarran (D-Nev) in sponsoring a bill to vest the title of oil-rich tidelands in the states.

## Seed Tag Measure Will Have Public Hearing Monday

A bill to make the state seed testing laboratory self-supporting is the only one scheduled for public hearing this week in legislative committee.

The measure, LB 532, was heard by the agriculture committee Monday afternoon. It was introduced by the budget committee.

The bill would require purchase from the state department of agriculture of tags or labels for seed bags as provided in the state seed control act, the price varying from one to eight cents depending on the size.

Sponsors estimate annual income from the proposed law at \$40,000.

## PUBLISHER G. G. BOOTH DEAD AT 84

DETROIT—(AP)—George G. Booth, 84, founder of the Michigan Booth newspaper chain and an executive of the Detroit News for 61 years, died today.

His death followed an illness of several weeks.

A native of Toronto, Ont., Booth also was known as a patron of the arts and in 1927 created the Cranbrook foundation which adjoins Bloomfield Hills near Detroit. The foundation includes an art academy, boys' and girls' schools, science institute, primary school and a massive church.

Booth retired from the presidency of the Evening News association, publishers of the Detroit News, in 1929, to devote full time to the completion of his educational project at Cranbrook.

The newspaper organization which he formed with his brother, Ralph H. Booth, includes eight of Michigan's largest outstate papers. They are the Grand Rapids Press, Flint Journal, Saginaw News, Muskegon Chronicle, Bay City Kalamazoo Gazette and Ann Arbor News.

## Light Airplanes Proved Value In Blizzard--Stefan

WASHINGTON—(AP)—The blizzard of 1949 was "a test for the light, airplane to prove its usefulness and its practicability," Rep. Karl Stefan (R-Neb) believes.

The Nebraska congressman made that statement in connection with a bill carrying appropriations for the civil aeronautics administration. He told the house that "the small airports, the training of pilots and mechanics in small communities are very important and should not be entirely forgotten when we appropriate huge funds for large airports, technical developments, and so forth."

During the Nebraska blizzard, Stefan said "when all roads became blocked, trains stalled and travel on foot was almost impossible, the light airplane flew serenely above it all, bringing food, medicine, fuel oil and coal to farmers and ranchers. x x x Had it not been for the light plane, more than 200 persons would have perished in the storms."

The congressman listed some of the Nebraska flying services which operated light planes on mercy missions during the winter. Among them were Andy Risser of the Besser Flying Service at Norfolk, Taylor Flying Service of Bridgeport, the Clinch Flying Service of North Platte, and Central Aircraft, Inc., of Grand Island.

## Permit For Sarpy Line

The railway commission granted the Omaha Public Power district authority to construct 13 miles of transmission lines in Sarpy county.

WITH SMOKERS WHO KNOW... IT'S

# CAMELS

FOR MILDNESS

RIGHT, VAN!  
IT'S CAMELS FOR ME, TOO—EVER SINCE I MADE THE 30-DAY MILDNESS TEST!

I'VE SMOKED CAMELS FOR 10 YEARS, GENE! THEY'RE MILD AND THEY SURE TASTE GREAT!

Gene Bearden

Johnny Vander Meer

Voted "Rookie of the Year" in the American League with an earned run average of 2.43, Gene was the pitching hero of the '48 World Series... stepping out on the mound to wrap up two big climax games for the Cleveland Indians.

After many long seasons with the Cincinnati Reds, he has more strikeouts to his record than any pitcher on the Club. Johnny Vander Meer is the only man in the big leagues to pitch two "no-hit" games—in succession.

In a recent test of hundreds of people who smoked only Camels for 30 days, noted throat specialists, making weekly examinations, reported

## NOT ONE SINGLE CASE OF THROAT IRRITATION due to smoking CAMELS

● Have YOU made the popular Camel 30-Day Test?

The doctors' findings in the recent coast-to-coast test of Camel mildness speak for themselves. But why not make your own personal 30-Day Mildness Test? It's revealing; you'll enjoy every flavorful puff of it! Yes, smoke Camels and test them in your "T-Zone" (T for taste, T for throat). Let your own taste tell you about the rich, full flavor of Camel's choice tobaccos, properly aged and expertly blended. Let your own throat report on the cool, cool mildness that you always find in Camels.

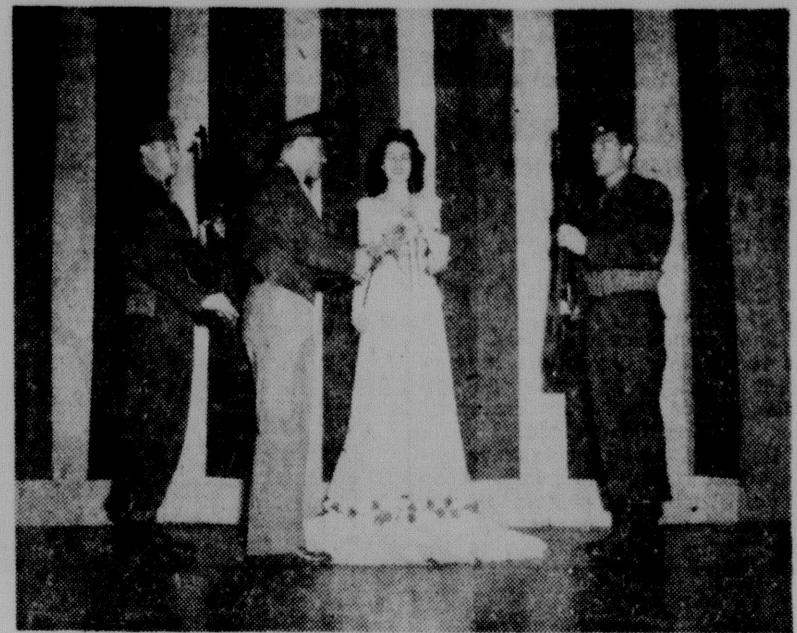

Money-Back Guarantee!

Try Camels and test them as you smoke them. If, at any time, you are not convinced that Camels are the best cigarette you've ever smoked, return the package with the unused Camels and we will refund its full purchase price, plus postage. # Top Nebraska F.F.A. Chapters Given Awards

Co-ed Chosen As Seward Candidate

AT THE ARMY DAY OBSERVANCE IN SEWARD last week, Miss Mary Tess Kessler, center, was chosen to represent headquarters and headquarters company, second battalion, 134th infantry, as a contestant for the selection of "Miss Nebraska National Guard," a feature of the military ball in Lincoln next Saturday night. Miss Kessler was presented with a bouquet by Capt. Russell Soucek at the Army day observance, at the Seward Civic auditorium, attended by over 400 persons. Also in the photo are Sgt. Marie Reiling, left, and Pfc. Kenneth Wergin. Miss Kessler, daughter of Mrs. Matt Kessler, is a student at Duchesne college in Omaha.

## Normal School Bill— Rejection Of LB 294 Requested

By Church Colleges

CRETE, Neb.—(AP)—The legislature was to be asked today to turn down a proposal that Nebraska's four normal schools be permitted to grant liberal arts degrees.

The objection was in the form of a resolution adopted by the Nebraska Association of Church Colleges at its annual meeting here Saturday.

The resolution said the association feels that enactment of the bill (LB 294) "without some adequate provision for an increasing of the tuition fees in the state teachers colleges to be at least equal to the fee of the University of Nebraska will work a very grave and serious hardship upon the church-related colleges."

It also said such a measure might cause "extinction" of the church schools because of the difference in tuition rates.

The protest charged that the legislature by enacting the law "will be breaking faith with those who have invested and are still investing their money in higher education in the state."

It also asserted that "the cost of maintaining a liberal arts program . . . will be much greater to the state than the proponents of LB 294 indicate."

Morton R. E. President.

President R. E. Morton of Dana college (Blair, Neb.) was elected president of the organization for the ensuing year.

Dr. Walter F. Bachman, president of York college was named vice president. President William F. French of Hastings college was re-elected secretary, and Business Manager G. W. Buck of Doane was re-named treasurer.

In a keynote address, Dr. Ralph McDonald, executive secretary of the National Education association, said there is a great need for elementary teachers in the nation.

He declared that 125,000 additional elementary teachers are needed for this fall yet only 15,000 will be graduating from college this spring.

Members of the association are Concordia Teachers, Seward; College of St. Mary, Omaha; Creighton university, Omaha; Dana, Doane, Duchesne, Omaha; Hastings; Luther Junior college, Wahoo; Midland, Fremont, Nebraska Central, Central City; Nebraska Wesleyan, Lincoln and York.

## Annual Meet Draws Over 500 Members

Lincoln Northeast Gets Red Ribbon

OMAHA — Columbus, Fairbury, Harrison, Kearney, Seward, Waverly and Wisner were presented the highest awards in the Nebraska F.F.A. best chapter contest at the state F.F.A. convention being held at Ak-Sar-Ben field here this week.

These awards are based on chapter activities, programs of work, the farming programs conducted by members, and community service activities carried out.

Red ribbons, the second highest placing in the activity went to local chapters at Albion, Broken Bow, Humboldt, Crete, Northeast of Lincoln, Neligh, Stanton, Sutton, West Point and York.

White ribbons were awarded Alliance, Beatrice, Cozad, David City, DeWitt, Hooper, Lewistown, Pawnee City, Ravenna, Stromsburg, Superior, Waverly and Crawford.

81 Chapters Represented.

Over 500 F.F.A. members representing 81 chapters have registered for the convention. President Dick Sauder called the 21st convention order this morning. Paul Lindholm, national F.F.A. vice-president, gave the invocation. President Sauder announced the proposed convention legislation and then gave his annual report. In this he stressed the importance of local chapters in the success of the state organization.

He urged all groups to take a greater interest in activities that would improve rural communities. Entertainment at the first session was provided by the Chapell F.F.A. quartet and by Francis McArdle, an F.F.A. member from Valley. The latter was a member of last year's national F.F.A. band.

The afternoon session was devoted to preliminary contests in public speaking, creed speaking and a parliamentary procedure. About 300 of the convention guests and delegates spent part of the afternoon on scheduled tours in downtown Omaha. The annual delegate dinner is scheduled for 5:30 at the chamber of commerce dining room.

**WEATHER BUREAU SUMMARY** — The southeastern trough of low pressure has been attended by mostly moderate to heavy rainfall in East Gulf Coast sections, exceeding an inch in the southeastern portions of Louisiana and Mississippi and southwestern Alabama. Light showers since early Sunday fell in the eastern portions of Colorado and New Mexico and mostly light rains over a belt extending from Kansas and Nebraska to the Ohio Valley. Considerable rain occurred in Nebraska during the 24 hours ending early Sunday. Warm weather prevails in southern California, where temperatures reached 90 Sunday. Temperatures early Monday were in the 20s and 30s over Nebraska, South Dakota, and northern Iowa.

## Loaded Bus, Car Collide; Man Is Dead

Near Minden

MINDEN, Neb.—(AP)—E. H. Nailor, Denver, was killed late Saturday night when his auto collided with a loaded school bus halted west of Minden, Nebraska, during a heavy rain.

Sheriff Owen Daily of Minden said the school children were returning to Minden after attending a music contest at Holdrege. The bus developed motor trouble about three miles west of Minden on highway 6 and the driver had gotten out of the bus to flag traffic down.

The sheriff said that just at that time, the Denver man's car hit the rear of the bus, pushing it down the highway about 103 feet. He said none of the children were reported to have been injured.

The death brings the Nebraska highway traffic toll to 39 so far this year.

**Swiss Watches Not  
Endangering U. S.  
Jewelers Are Told**

OMAHA — (INS) — The Nebraska Retail Jewelers association winds up its 44th annual convention in Omaha today with election of officers.

Members were told yesterday, at the opening of their meeting, that the Swiss watch industry is not a danger to American watch factories.

The speaker, Robert Bollier, member of a Swiss firm, explained that there is still a shortage of watches in the United States.

Corey Chase of Holdrege, Neb., president of the state group, read a letter to delegates from the Massachusetts Retail Jewelers association concerning a resolution passed by that body last month. The resolution urged congress to take no action to raise the tariff on Swiss watches.

H. L. Carter, regional vice president of the National Retail Jewelers association, and R. D. Edwards, representing the jewelry industry council, will speak today.

## Dairy Farmer's Outlook Bright Says L. F. Snipes

Farm management Specialist L. F. Snipes of the University of Nebraska said Monday the Nebraska dairy farmer's outlook is bright for the coming year.

Snipes pointed out that the dairy farmer's income has fluctuated less than national income, and during depression years, his monetary return has decreased less proportionately than national income. During the past few years, Snipes said, the production per cow has increased but the demand for milk continues to exceed production.

Dairying is big business in Nebraska, Snipes pointed out. More than 200,000 people depend on it for a livelihood. It produces more than \$58,000 in cash farm income. About 30,000 people are employed in the production, processing and distribution of dairy products.

Snipes concludes that the dairy cow is an efficient converter of grass and hay, the products of good conservation farming, into nutritious human food.

## Doane Expects 250 At Career Day Meet

CRETE, Neb.—Dr. Walter Beggs of the University of Nebraska will be principal speaker at the Trailways career day conference on the Doane college campus Wednesday.

Approximately 250 students and teachers from Exeter, Fairmont, Beaver Crossing, Milford, Western, Dorchester, Friend and Wilber are expected to attend.

W. J. Hauser, Douglas county superintendent of schools, also will appear on the program.

## Franklin Businessmen To Entertain Farmers

FRANKLIN, Neb.—Farmers in this area will be guests of the Franklin chamber of commerce at a banquet here tonight.

Speakers on the program will include Paul Straus, engineer of the Bostwick irrigation district, bureau of reclamation; Floyd E. Brown, in charge of operation and maintenance, bureau of reclamation, Denver; and John Steele, University of Nebraska ag college staff member.

Irvin Schwartz, Hildreth, will serve as toastmaster.

## Nebraska News

## Blue Springs May Close Its High School

BLUE SPRINGS, Neb. — Blue Springs may be without a high school next year.

This was revealed at a recent school board meeting when plans were discussed for sending the 40 Blue Springs students to Wymore next fall. The proposal would affect only the high school, and is being considered as a fund saving measure.

The school board at Holmesville has also contacted Blue Springs about the possibility of the students transferring to that community. H. E. Trump, president of the Blue Springs board, said this possibility also will be investigated.

## Nebraska Deaths

**WILLIAM H. FILLMORE** — PALMYRA — Funeral services for William H. Fillmore, 59, who died suddenly Thursday, were held here Saturday afternoon. Surviving are his wife, Nina, five daughters, Flossieville, Willette, Marie, Marilyn Kay, Judy and Joan; two sons, Harold and Dewey; four grandchildren.

**MRS. CLARA BELLE WIEGANT** — KEARNEY — Mrs. Clara Belle Wiegant, 25, died in a local hospital Friday following an extended illness. Surviving are her husband, Raymond; her parents, Mr. and Mrs. Clara Stafford, a brother and a sister.

**MRS. LENA A. SHEAR** — NEBRASKA CITY — Funeral services for Mrs. Lena A. Shear, 61, resident of Nebraska City since 1940, were held here Saturday afternoon. She died at her home Wednesday following an extended illness. Surviving are two sons, Edward and Elmer; and a daughter, Mrs. Ernest Bierer, all of Nebraska City.

**FRID VITT** — O'NEILL — Funeral services for Fred Vitt, 77, retired O'Neill farmer who died Monday at his home, were held Wednesday morning in a local hospital. Surviving are his wife, five sons, John, O'Neill, Fred E. of Boone, Ia., Louis of O'Neill, George of Omaha, and Edmund of Portland, Ore.; four daughters, Mrs. J. Stanley Prethardt, Mrs. John Davis and Mrs. Ted Platte, all of Omaha, and Mrs. Archie Faulhaber, Suick Center, Minn.; 28 grandchildren and one great-grandchild.

**JOHN C. YOESL** — FALLS CITY — Funeral services for John C. Yoese, 63, retired farmer, were held here Friday. He died at his home Wednesday following a heart attack. Surviving are his wife, three sons, Christ, Theodore J. and George, all of Falls City; two brothers, Gustav, Falls City, and David, Highland, Kas.; and one sister, Mrs. Louisa Denlinger, Hawatha, Kas.

**AUGUST RAURET** — GRAND ISLAND — Funeral services for August Rauret, 60, prominent stockman and farmer and a resident of this community for his entire lifetime, were held Saturday afternoon. He died at his home Thursday. Surviving are his wife, one son, Fred, one daughter, Mrs. Raymond Knuth; two brothers, one sister and four grandchildren.

## Persons Doing 'Brain Work' Often Athlete Foot Victims

Chiropodists Told; World War II Blamed For Spread Of Certain Types Human Fungus Disease

OMAHA—(AP)—Five states were to be represented by speakers today at the concluding sessions of the region six meeting of the National Association of Chiropodists.

Today's speakers were to include Ivan M. Howe of Minneapolis, Cameron C. Shirek of Algonia, Ia., R. L. Cox of Kansas City, Kas., Herman F. Gartner of Lincoln and J. W. Carby of Kansas City, Mo.

"Summer is coming and 28,000,000 Americans soon will be suffering from 20 different kinds of athlete's foot," Dr. W. J. Stieckel, executive secretary of the National Association of Chiropodists, told the delegates yesterday.

**20 Types of Disease.** "Athlete's foot is just a lay term for 20 different types of fungus diseases found on the feet," he said. "Clinically, they all look alike, but respond differently to various types of treatment."

Athlete's foot, he went on, is an "occupational disease" of persons who do "brain work" because they "perspire through their feet while under nervous strain, hence become more susceptible."

Another speaker, a University of Nebraska pathologist, said certain types of human fungus diseases are spreading through the nation as a result of World War II.

**Urges Roller Skating.** Dr. John R. Schenken said "the diseases have been traced to veterans who were stationed in Europe and Asia during the war. Many of the fungus growths once were confined to natives of certain localities of the world. Now they are occurring on an international scale."

Roller skating was recommended by Dr. F. A. Pellitter of Jefferson City, Mo., for pigeon-toed children. He said roller skating would overcome the pigeon-toed condition.

"Mere existence of flat feet does not necessitate treatment of a patient," according to Dr. W. R. Hamsa, a University of Nebraska staff member.

Syrian Coup Is Blamed On U.S., British

... By Moscow's Pravda

BY EDDY GILMORE

MOSCOW —(AP)—Pravda said today British and American oil interests were behind the recent Syrian coup.

A commentator in the official communist party organ said the coup "reflects beyond a doubt the struggle of imperialistic forces and their agents in the Near East."

The article was the first editorial discussion in Pravda of the coup which saw the commander of the Syrian army take over the government.

Pravda said the foreign press connected Syrian events with plans for a Greater Syria, made up of Syria, Iraq and Trans-Jordan. The newspaper declared this plan had been fostered for a long time by British secret agents and diplomats.

**Hospital Files**

Ord Co-Operative Hospital association filed articles of incorporation with the secretary of state's office. Capitalization is \$60,000 and there are 20 incorporators, with Archie Geweke, Ord, resident agent.

Another filing was made by City Club Sales Co., Norfolk, wholesale beer distributor, authorized capitalization \$35,000, incorporators Rosemary Abel and Philip C. Conner, Norfolk.

One man's Opinion

by WALTER KIERNAN

(Distributed by International News Service)

The Russians now claim they invented television... Don't know about that but they sure developed puppets.

In fact they've got countries where people don't need television to see puppets... all they've got to do is visit their local legislature.

KIERNAN

Moscow says they had television when they still had a czar... radar would have been more helpful to him.

But they don't explain why they went from 1919 to 1949 without developing television... unless they were waiting for pictures to come through in red.

Guatemala is away ahead of Russia in revolutions though... they've just had their 19th since 1945.

There's a country where even a republican has 19 chances in four years to head up the government.

Democrats still think ours is the best system... one year in four to make promises and three years to get up the next set.

**BUILDING PERMITS**

G. E. Robertson, 1944 So. 51, build residence, \$5,000.

Mabel McAdams, 4311 No. 60, alter residence, \$112.

Edward T. Welch, 4305 Adams, build garage, \$450.

C. M. Kohler, 5743 Kearney, re-roof residence, \$250.

Shurtliff Investment company, 1361-05 L & 404 So. 13, build stores, \$15,000.

Frank Slaby, 819 So. 9, re-roof residence, \$125.

LaVerna and Alex Ellbert, 2344 So. 11, build basement residence, \$3,500.

Northeast Realty company, 6535 Y, build John Olson, 6425 Platte, build garage, \$150.

B. R. Hitch, 2838 Vine, add to residence, \$200.

J. N. Sheehan, 3719 So. 18, build garage, \$100.

First, Second Choice Ballot Bill Is Signed By Governor

The bill providing for indication of first and second choice for president and vice-president in the preferential primary was among 18 measures signed Monday by Gov. Val Peterson.

School levy measures also were among the bills signed Monday.

The complete list:

LB 508, providing for assessment of property of deceased taxpayers after filing of inventories.

LB 406, giving voters opportunity to name first and second choice of candidates in preferential primary.

LB 388, providing that county superintendent shall use money from grazing land fund to help support and maintain a county school library. (Emergency.)

Lincoln Levy Raised.

LB 222, allows director of insurance to determine expense of examination of insurance companies.

LB 394, increasing from three-tenths to one mill the levy to pay tuition of high school students residing within the county high school district and who desire to attend high school in districts other than the high school district within their own county.

LB 409, extending to June 30, 1951, the time during which article 23 schools may pay unlimited taxes. (Emergency.)

LB 400, increasing from 20 to 21 mills the maximum school levy in Lincoln in 1949, and to 22 mills thereafter. (Emergency.)

LB 395, defining misleading and deceptive advertising.

LB 446, changing from \$60 per month to \$3 per day the amount that counties may be reimbursed for care of mentally ill persons when state hospitals are unable to receive and care for them.

LB 454, defining a padlock.

Boat Regulations.

LB 472, requiring headlights and rear lights on railroad track motor cars (section cases).

LB 409, permitting issuance of temporary teaching certificate to aliens unless they have lived in the United States long enough to become a citizen. (Emergency.)

LB 381, increasing to six years the age at which a child may be admitted to first grade, fixing age five as minimum for kindergarten admission, unless child passes special test.

LB 310, authorizing University of Nebraska to rebate to fix fees for testing tractors at tractor testing laboratory. (Emergency.)

LB 368, increasing bond for motor fuel dealer.

LB 163, providing that assessment association maintaining a certain reserve may transact specified casualty insurance. (Emergency.)

LB 119, increasing from 20 to 50 per cent of its paid-up capital amount required to be restored to surplus fund by state banks.

LB 435, giving game commission authority to regulate boats on lakes greater than 20 acres in size and on streams, for the purpose of promoting safety.

Beer Scarce In New York Due To Strike

... Rationing Predicted

NEW YORK —(AP)—The strike of brewery workers has caused an increasing scarcity of beer in the city and rationing is predicted, starting today.

Mary Scanlan, executive secretary of the United Restaurant Liquor Dealers of Manhattan, said only regular customers would be served beer at hundreds of bars.

The strike is in its 11th day.

The drivers and brewery workers seek a wage increase of \$8.50 a week and a 35-hour week.

Present wages average \$71 for a 40-hour week. Other union demands include a pension plan, and assignment of two men to every truck.

Total Eclipse Of Moon Visible Here If Weather Clear

OMAHA —(AP)—If the weather man co-operates, Nebraskans will be able to see a total eclipse of the moon tomorrow night.

The Rev. Raymond J. Strange, S. J., of Creighton university said the eclipse was slated to start at 7:31 p. m. when the edge of the moon enters the partial shadow.

At 8:27 p. m. the moon enters the total shadow of the earth and one hour and one minute later the moon is completely in the shadow.

The middle of the total eclipse occurs at 10:10 p. m., Father Strange said.

He termed the eclipse an "eclipse for the masses," since it occurs at practically ideal hours for observation. However, the night may not be clear for observation of the eclipse.

College Choir Is Featured At Fourth Easter Singfest

Two groups of religious songs were presented by Union College Oriana choir at the fourth singfest in the Easter series Sunday at St. Paul church attended by about 300. The choir directed by

Lion Tamer Attacked Twice In Six Days By Same Animal

NEWARK, N. J.—(AP)—A lion tamer attacked twice in six days by the same lion was hospitalized today.

Dick Clements, lion tamer for the Hamid-Morton circus, was injured last night when Duke, one of his animal's, mauled him again. Presbyterian hospital reported that Clements rested uneasily last night, but that his condition was good.

The big beast caught Clements' arm between his fangs and ripped the trainer's shoulder and arms last night.

In the first attack last Tuesday, Duke had mauled Clements' leg. Clements fired blank cartridges to make Duke release his grip.

Wayne Hooper was accompanied by pianist Lee Kaufman.

The singfest series will close at the Easter Sunday sunrise service in Pinewood Bowl at Pioneers Park.

Meditation was given Sunday by Rev. Rex Knowles, University of Nebraska Presbyterian student pastor. Rev. Paul Becker of Bethany Christian church gave the invocation and group singing was led by James Lawson. Accompanist was Houghton Furr, St. Paul organist.

Lincoln Camp Fire girls were ushers.

Mr. Hoehne, who had been making his home with Mrs. Burnham since December, was born Jan. 28, 1862, in Germany. He came to the United States at the age of 17 and lived for a short time in Philadelphia. He later moved to Wisner and then to Stanton where he lived most of his life.

Mr. Hoehne, a retired farmer and blacksmith, was a member of St. John's Lutheran church at Stanton.

Surviving are two sons, William and Emil of Stanton; two daughters, Mrs. Burnham of Lincoln and Mrs. Leona Benne of Fort Collins, Colo.; two grandchildren, Willich Hoehne of Stanton and Mrs. Gretchen Sprague of Oxford, Eng., and a nephew George Spittgerber of Fort Collins, Colo.

Judge E. L. Reeker Has Heart Attack

NORFOLK, Neb. — (AP) — County Judge E. L. Reeker, who suffered a heart attack last night after retiring in his room at the Norfolk Y. M. C. A., was taken Monday morning to a hospital here. His condition was described as satisfactory this forenoon.

Judge Reeker, who suffered "a rather severe attack," will have to remain in the hospital for some time, according to his physician.

Five Hitler Top Aides Are Guilty

Group Convicted By U. S. Court Of Aiding In Aggressive War

NUERNBERG, Germany —(AP)—Five of Hitler's top government officials were convicted by a U. S. war crimes court today of helping him plan aggressive war.

They were the first Germans to be convicted of war plotting by an all-American court. Not since the international military tribunal convicted Hermann Goering and 18 other high nazis nearly three years ago had any German been found guilty on this charge.

Today's verdicts began the final act of this last war crimes trial before an American court.

One of those convicted today was Baron Ernest Von Weizsaecker, state secretary in Hitler's foreign office and one time nazi ambassador to the Vatican. He was found guilty of plotting aggressive war against Czechoslovakia.

Also convicted were:

Wilhelm Keppler, 66, Hitler's economic adviser and founder of the "Circle of Friends" of the gestapo chief, Heinrich Himmler.

Ernst Voermann, 61, chief of the political division of the foreign office.

Heinrich Lammers, 68, one-eyed chief of the Hitler reich chancellery, described by the court as one of the most powerful men in the nazi hierarchy.

Paul Koerner, 55, industrialist who was Goering's deputy in the four-year plan. The court said his job was to

"make Germany ready for war in four years."

The sentences probably will not be announced until Thursday, when the three-judge court completes reading its 833-page finding.

There were 21 defendants tried on seven different counts, of which plotting aggressive war was the first. Nine defendants were acquitted of this charge. The other seven were not accused under it.

coin containers placed in the business district last week.

Mrs. Ray Taibl, secretary-treasurer of the Lancaster county committee, who made the announcement, said, "It is the paramount desire of the committee to help the crippled children in the local area. Citizens can rest assured that we shall do what we can to retain funds in the immediate locality for those in need."

SEAL SALE DRIVE IS \$2,768 SHORT OF COUNTY GOAL

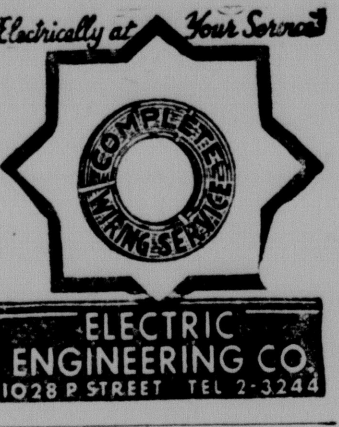

With less than a week to go the Lancaster county drive for aid to crippled children is still \$2,768.13 short of its goal.

That announcement was made as the county committee intensified its efforts to reach the seal sale goal of \$10,000 by Easter.

Boy Scouts Aid.

Boy Scouts of Lincoln have undertaken to help the group. They have distributed posters in the business places throughout the city. This is in addition to the

## Departing For Germany

At the week's end will be Mrs. Charles House and her daughters, Candy, aged sixteen months, and three-year-old Holly. Mrs. House and the children will be off to New York City on Friday, and from there will sail for Munich to join Captain House.

Mrs. House, the former Marguerite Williams, daughter of Mr. and Mrs. H. R. Williams, attended the University of Nebraska where she is a member of Delta Delta Delta sorority.

Captain House, also a former student at the University of Nebraska, is stationed with the army air force at Neuberg air base, Munich, and has been overseas for the past four months.

## P.T.C.A. Members Elect New Officers

The April meeting of Willard P.T.A. was held last Friday afternoon with Mrs. Fay Smith presiding. Miss Clara Slade, Lincoln public school psychologist, spoke to the group on "Special Educational Programs in the Lincoln Schools," and a report on the school recreation and health programs was given by Mrs. Morris Phillips.

Officers elected at the meeting were: president, Mrs. Don Wilcox; vice president, Mrs. Fred Rickert; secretary, Mrs. Gene Templeton; treasurer, Mrs. Kenneth Schweitzer; historian, Mrs. S. K. Angle; and council representatives, Mrs. George Keagle and Mrs. Arthur White.

Refreshments were served at the close of the meeting by Mrs. E. H. Livingston, Mrs. Martha Hafn, Mrs. Hattie Ring and Mrs. Eva Templeton.

### TRAVEL TALK

Miss Elizabeth Grone told of her trip to Guatemala and showed slides of the country at the monthly program of District 126 P.T.A., held Friday at the school. A talk on 4-H clubs was given by Tom Sherman who discussed methods of organizing clubs in the district.

Mrs. Lawrence Goodwin presided at the business meeting at which time the following officers were elected: president, Mrs. B. W. McKeen; vice president, Mrs. Glenn Umberger; treasurer, Floyd White; secretary, Mrs. Adam Green.

Mrs. Ralph Johnson was in charge of the program, and a health award for the summer round-up project was presented by Mrs. William Helter.

Preceding the meeting, members of the P.T.A. served a covered dish supper at the school.

### GUEST SPEAKER

Guest speaker for the monthly meeting of Lakeview P.T.A., held last Wednesday at the Huskerville theater, was John Bruce who addressed the group on the topic, "World Citizenship."

Members of the school Blue Birds and Camp Fire Girls presented a special program, under the direction of Mrs. Paul Muey and Mr. and Mrs. Frank Sellers, after which the annual election of officers was held. President for the coming year

# Everything Is New In News —

A NEW DAY, A NEW WEEK, and new news—Wish we could begin the day's chatter with something very exciting that we know, but we promised to wait until the morrow—Anyway, it has to do with a very popular Lincoln girl, and a secret marriage—More on that on Tuesday.

BEATING THE BUSHES for interesting conversation netted considerable in the way of good results, so there is no necessity to beat around the bush—we'll just begin telling what we know.

DID YOU KNOW THAT Mr. and Mrs. William Flory (Janet Gibson) are moving to Gibbon? They leave May 1, we understand, but before they go there are parties—

Mr. and Mrs. O. D. Trombla, for instance, are presiding at dinner on Tuesday evening at the University club, in farewell courtesy to Mr. and Mrs. Flory. Twelve guests have been invited for the dinner and an evening of bridge.

HEARD THAT MRS. DANIEL CALKINS, III, and her young son, Daniel IV, flew in today from Kansas City. Mr. and Mrs. Calkins and their son are moving from Kansas City to Great Bent, Kas., but again there is a housing problem. The Calkinses sold their Kansas City home, and until Mr. Calkins is able to find another in Great Bend, Mrs. Calkins and young Dan will be the guests of her parents Mr. and Mrs. Charles B. Simon.

LEARNED THAT three-fourths of a foursome of Caribbean cruisers are now back home—We mentioned last week that Mr. and Mrs. Jean R. Kinder, who made the cruise with Mr. and Mrs. J. Earle Foster, had returned—Now we hear that Mr. Foster arrived the past week-end, and that Mrs. Foster, who remained in Chicago for an extra day or two, will arrive mid-week.

SOMEONE TOLD US THAT Dr. and Mrs. Harold Morgan, their daughter, Cynthia, and their son, Philip, took a week-end off and went to Kansas City where they were the guests of Mr. and Mrs. George Long.

MENTION OF TRAVELERS reminds us that Mr. and Mrs. George Healey will be off next Monday for Chicago where they will spend a week or ten days.

AT HOME THE DAYS ARE pleasantly busy—

On Tuesday, at the University club, Mrs. Edward J. Walt, Jr., will be hostess to the members of her birthday club in celebration of the anniversary of Mrs. Carl Olson. Following luncheon the group will remain at the club for an afternoon of bridge.

will highlight the meeting of the Bethany Woman's club to be held at 2 o'clock, Tuesday afternoon, in the parlors of the Bethany Christian church.

A program of special music will be followed by a humorous story by Mrs. Edna Stone, and members of the American home committee will give household hints. Miss Mary Guthrie representative of the University of Nebraska college of agriculture will speak to the members on "New Fabrics for Spring."

Hostesses will include Mrs. Alice Weaver, Mrs. Mabel Darling, Mrs. A. R. Benedict and Miss Bertha Wilson. Children will be cared for at the church nursery.

Members of the Lincoln Woman's club evening lecture division will hear a talk, "Yellowstone and Grand Teton Parks," by Russell C. Wells at 7:30 o'clock, Monday evening, at the city library. Mr. Wells will illustrate his talk with colored films.

The drama department members will present a special play, "Good Neighbors," at 2 o'clock, Tuesday afternoon, in the auditorium at Miller and Paine. Directed by John Wendstrand of the University of Nebraska department of speech, the cast will include Mrs. Ray C. Johnson, Mrs. W. H. Osborne, Mrs. Gustav Kopta, Mrs. O. J. Bilhore, Mrs. Jean Turpin, Mrs. George Schroeder, Mrs. John P. Valentin, Mrs. W. H. Witham and Mrs. O. F. Troup.

Announcement has been made of the birth of a daughter, Kathleen Sue, to Mr. and Mrs. Wayne R. Smith of Columbus, Ohio, on Wednesday, March 30. Mr. Smith is the son of Mrs. W. R. Smith of Lincoln.

## We Hear That—

Mrs. R. E. Kellerman and her small son, Robert Edward, Jr., have arrived in Lincoln to visit Mrs. Kellerman's grandmother, Mrs. C. C. Seng. Mrs. Kellerman, the former E. Roberta Seng, and her son will remain several weeks before returning home to Butler, Pa.

Leaving on Sunday for Chicago, Ill., were Miss Ethel Sorenson and Miss Tillie Larsen who will vacation for a week before returning to Lincoln. While in Chicago, they will attend the stage performance of "Mr. Roberts."

To make a quick frosting for a plain white cake, melt three tablespoons of butter or margarine and mix well with a half cup of brown sugar and a cup of moist shredded coconut; spread mixture on an eight or nine-inch cake and broil carefully until coconut is lightly browned.

## We Hope —

THE CRIB AND CARRIAGE crowd rolled out the red carpet on Saturday, April 9, to welcome Miss Wendela Jane Farness, daughter of Mr. and Mrs. A. H. (Bill) Farness, who arrived at Bryan Memorial hospital.

## Activity Of Camp Fire Girls

The junior high school Camp Fire Girls of Lincoln went to Omaha last Saturday by bus to visit Boys Town, Jocelyn Memorial and other places of interest. At noon, the girls were the guests of Omaha junior high school Camp Fire Girls at a picnic lunch held at Elmwood park. Following luncheon, a program of games was held.

In charge of the trip was Miss Phyllis Dent who was assisted by the following group leaders: Mrs. Clyde Card, Mrs. Charles Colman, Mrs. W. D. Douglass, Mrs. Glen Foster, Mrs. Lawrence Jensen, Mrs. J. D. McKeen, Mrs. Chester Paul, Mrs. Esther Price, Mrs. Ted J. Tebo and Mrs. Lyle Weyand.

## Miss Beckman Party Honoree

In courtesy to Miss Cynthia Beckman, whose marriage to Lyle Tanderup will be an event of June, Miss Velma Smith and her mother, Mrs. Joseph M. Smith, will be hostesses to fourteen guests at a miscellaneous shower this evening at their home. The evening will be spent informally. Included in the guest list will be the bride-to-be's mother, Mrs. E. H. Beckman of Arlington Heights, Ill.

## LITERARY LADY 1949

OUR CELEBRITY today is a writer of short stories—In private life the author is Mrs. Daniel Mich, wife of the executive editor of Look magazine, but for her magazine by-lines she uses her maiden name, Isabella Taves.

Miss Taves, who is visiting briefly at the home of her mother, Mrs. Blanche Taves, and her aunt, Mrs. I. E. O. Pace, is exceedingly well known to readers of Colliers, McCall's, Cosmopolitan, American and Today's Woman magazines. She arrived in Lincoln Saturday evening, and leaves again tomorrow to return to her home in New York City.

IT'S ALWAYS FAIR WEATHER when classmates get together—And so the group of Delta Gamma, snapped at the University club on Saturday, had a wonderful time at their luncheon— In the group we found Mrs. James Stuart, the luncheon hostess (standing) and seated, from left to right: Mrs. Horace Crosby, North Platte; Mrs. J. Dawson Van Eps, Wilfington, Del.; Mrs. Harold Ledford, Miss Eleanor Anderson of Holdrege and Mrs. Everett Deger, Fairbury. The luncheon group included six of the ten graduating Delta Gammas of 1939.

## Kathleen Donovan Weds Arthur Fye, Jr., At Sunday Ceremony

Arrangements of white lilies and lighted cathedral candles against a bank of greenery formed the background for the marriage of Miss Kathleen Mae Donovan, daughter of Mrs. Dorothy M. Donovan, to Arthur J. Fye, Jr., son of Mr. and Mrs. Arthur J. Fye of Aurora, which was solemnized at a 7:30 o'clock ceremony on Sunday evening, April 10, in the chapel of the First Presbyterian church.

Dr. C. Vin White, minister of First Presbyterian, read the service in the presence of one hundred guests. The wedding music was played by Miss Grace Finch, organist, who, as the guests assembled, presented a prelude of movements from Mendelssohn sonatas. Miss Finch also accompanied Jack Donovan of Genoa, brother of the bride, who sang "I Love Thee," Beethoven, and "O Perfect Love," Barnby.

Mrs. George J. Smith of Wapello, Ia., was her sister's matron of honor and only attendant. Mrs. Smith appeared in a frock of pastel blue crepe and silk net. The sheer net yoke of the fitted bodice slipped into net sleeves, and the net veiled the full skirt and formed a miniature train. She carried a bouquet of pink carnations.

Jack Fye of Aurora served his brother as best man, and the ushers were Robert Hatton and Glenn Hatton.

Given in marriage by her brother-in-law, George J. Smith of Wapello, Ia., the bride chose for her wedding a gown of white satin and lace. The deep yoke, in the fitted satin bodice, was fashioned of the lace as were the long sleeves that were finished with points at the wrists. The full overskirt of lace swirled into an aisle-wide train. Her veil of bridal illusion was fingertip length, and was held to the head with a heart-shaped coronet. She carried a bouquet of white roses.

Following the ceremony a reception for the wedding guests was held in Fellowship hall at the church. Assisting at the reception, for which the refreshment table was appointed in a silver and white motif, were Miss Muriel James, Mrs. Jack Donovan of Genoa, and members of the junior choir for which the bride is the director, at the First Presbyterian church. The choir members assisting included Mary Lillian Dietrich, Nancy Laymon, Lynn Meyers, Betty Waite, Billy Dermeyer and Dan Moschel.

For the short honeymoon trip Mrs. Fye wore a tomato-red gabardine suit, with brown accessories. Upon their return to Lincoln Mr. Fye and his bride will reside at 602 South Seventeenth street, Apt. 4.

Mrs. Fye is a graduate of the University of Nebraska where she is a member of Mu Phi Epsilon, music sorority, and Kernels. The bridegroom is a former student at the University of Nebraska.

## Birth Announcements

**Tenants Help Quell Blaze In Apartment**  
... One Room Damaged

Flames which were well started before they were discovered Sunday night at the Rainbow apartments, 1845 O street, were put out by tenants and the fire department before the blaze had a chance to spread from the room in which it started.  
The fire apparently started from an overstuffed chair in the second floor apartment, according to Fire Chief Paul Feaster. He said the fire might have started from a cigarette left on the chair.  
The flames spread to the south wall of the apartment, nearly burning through the frames of two windows and spreading to the ceiling wallpaper before the fire was put out by firemen.  
The fire was discovered by Mr. and Mrs. William Fisher, who live across the hall, when they returned home shortly after 9 p. m. Sunday. Mrs. Fisher saw the flames through the transom.  
Fisher broke into the apartment immediately and began carrying water in an attempt to halt the blaze. He reported that one whole wall of the room was on fire when he first entered the room.  
Mrs. Ann Newburn, occupant of the apartment, was not at home at the time of the blaze. Mrs. Newburn said she had left the apartment at about 6:20 p. m.

**Four Injured In Accident Near Waverly**

Three persons were still hospitalized Monday following an apparent side-swiping of two cars on highway No. 6 east of Waverly Sunday night.  
Reported in "fair condition" at St. Elizabeth hospital Monday were:  
Ray Bish, 24, 242 E. driver of the car, who received head injuries.  
Maxine Hughes, 25, 4119 St. Paul, shoulder and head injuries.  
Mrs. Roy Kent, 39, 134 South Eighteenth, head injuries and possible back injuries.  
Mr. Kent was released Sunday night after treatment for head lacerations at the hospital.  
According to the safety patrol, the car driven by Bish was going west on highway No. 6 when it was sideswiped by another car. Bish's car went off the right side of the road, and overturned.

**Official Canvass Under Way Monday**

Election Commissioner Ray Frohn announced Monday that the official canvass of the voting in the city primaries would be started Monday afternoon.  
The canvassing board will consist of William W. Baur and Joseph M. Culbertson with the election commissioner and Deputy Commissioner J. Victor Eitel.  
The official canvass should be finished by Tuesday night, Frohn said. As soon as the official canvass is completed the results will be certified to the city clerk and city council.

**Mrs. Elizabeth M. Beal Dies; Rites To Be Held Tuesday**

Mrs. Elizabeth Marie Beal, 56, 3755 Everett street, died Sunday afternoon at a local hospital.  
She is survived by her husband, Ralph Beal.  
Funeral services will be held Tuesday at Roberts chapel at 1 p. m. J. Edward Johnston is the reader. Burial will be at Beatrice.

**AUTOMOBILE ACCIDENTS**  
Sunday.  
8:35 a. m.—10th and Charleston, two cars.

**"CHANGE OF LIFE"**  
What A Doctor Discovered For Women Who Feel Nervous, Weak, Tired Out, Run-down

Are you going through "change of life"? And at this crucial time are you nervous, irritable, weak, due to functional causes? Yes, just worn out and so nervous you could cry—or scream? Then do this. Try an amazing medicine Dr. R. V. Pierce developed for this condition. Here's a doctor's prescription that acts on that important female organ. Really helps nature build you up. Taken regularly, it helps soothe you, calm you. Then, too, it's a wonderful stomachic tonic and in this way helps women increase resistance, vitality.  
It's called Dr. Pierce's Favorite Prescription and it is available in both liquid and handy tablet form. So why suffer so this way? Get real help the way this doctor developed.  
Ask your druggist today for Dr. Pierce's Favorite Prescription. 35 tablets, 50¢. Big 1-oz. bottle, only \$1.00.

**Woman Has Attended Golden Wedding Of Two Daughters, Son**

BARTLEY, Neb.—Ninety-five-year-old Grandma Hart has achieved something of a record. She has attended golden wedding celebrations for three of her children.

The latest was the fiftieth wedding of her daughter, Mrs. Karl Bauer, and Mr. Bauer at Cambridge.

Previously, Mrs. Hart's oldest son and wife, Mr. and Mrs. Lucien Hart, Mount View, Mo., and her oldest daughter and husband, Mr. and Mrs. Will Stevens of Arapahoe celebrated their golden wedding.

Mrs. Hart, a former resident of Saunders county, has 185 living descendants.

**DIVORCE CASES**  
George Whitefield filed for divorce from Ada J. Whitefield in District court charging extreme cruelty. Marriage took place July 1, 1946 at Marysville, Kas.  
Wilma Marie Allen filed for divorce from Vernette Leroy Allen, charging extreme cruelty. Marriage took place Aug. 12, 1947 at Seward.

## MODEST MAIDENS

Trademark Registered U. S. Patent Office

HONEST, DARLING, THAT'S YOU WHEN YOU HAD YOUR HAIR BLONDE AND LONG!

### ALL OCCASION.

8453  
32-46

Here's a charming style for women that is suitable for practically all occasions. The graceful shaped top is made of a finely woven fabric, the skirt is simple and flattering.

For this pattern, send 25 cents in COINS your name, address, size desired, and the PATTERN NUMBER to Sue Burnett, Lincoln Star, 530 South Wells, Chicago-7, Ill.

### REAL ESTATE TRANSFERS

Don R. and Ellabelle A. Lott to Carl A. and Lily Westling, with surv., lots 1, 2 and 3, block 36, Havelock, except part of lots 1 and 2, deeded to Lincoln Traction Co. (\$6.00 rev.) Earl J. Te Selle to Earl J. and Dorothy Te Selle, with surv., lots 269 and 270, Fairfax add. (\$5 cents rev.)

### FLOWER BOUQUETS.

5962

Capture breath-taking loveliness forever by embroidering these enchanting flower pictures. Their life-like freshness will bring charm and distinctiveness to your living room. Simple embroidery stitches form the design quickly and make for pleasant needlework hours.

Pattern No. 5962 consists of hot-iron transfer for each motif measuring approximately 12 1/2 x 10 inches. Color chart, material requirements and complete directions for finishing pictures.

Send 20c in COINS your name, address and the PATTERN NUMBER to ANNE CAROL, Lincoln Star, 530 South Wells, Chicago-7, Ill.

HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

# A's Add Fourth Victory

## FAUTH, LOVENGUTH PITCH LINCOLN TO 4-1 WIN OVER TALLAHASSEE, FLA.

BY NORRIS ANDERSON  
(Sports Editor, The Star)

TALLAHASSEE, Fla.—(By Special Wire)—Superb pitching swept the undefeated Lincoln Athletics of 1949 to their fourth straight training camp victory here Sunday.

Tallahassee of the Florida-Georgia (Class D) league fell, 4-0, before a two-hit mound chore by Lew Fauth and Lynn Lovenguth.

After Fauth had held the Pi-3 rates hitless during the first five innings, Lovenguth allowed only two blows during the final four frames.

Fauth, 21-year-old Buffalo transfer (3-7), shut out the Floridians with no hits, no runs in the first five innings. Although walking three, only four men reached base on the stocky curve-baller —

Ed Boehm reaching base on Moskovich's error in the third frame.

### TWO HITS

Fastballer Lovenguth, the A's second hurler who had a 21-0 record for Rome, N. Y., of the New York-Canadian (Class C) league last summer, allowed only two hits (a double and a single in the eighth) in the last four innings. He struck out three, facing only three men in the sixth, seventh and ninth innings.

Lincoln collected eight hits off the combined offerings of Wait Crowley and Henry Handell. Five of the blows and all of the runs were off Crowley.

Lincoln drew first scoring blood with two runs in the first inning.

### IPPOLITO DELIVERS

Rocco Ippolito's whistling single to centerfield brought in Eddie Boehm, on base with a single to right field. Boehm had stolen third to move into scoring position.

Three straight walks by Lanky Crowley, the 6-foot 4-inch Tallahassee right-hander, made the second A's run automatic. He walked Joe Panceo, George Moskovich and Bob Kennedy in succession, forcing in Ippolito.

DeShong's hustlers collected another two-run brace in the third. Ippolito walked, gained second on Panceo's fly-out, reached third on Moskovich's centerfield single and romped home on a wild throw-in on the play.

A double against the leftfield fence by 205-pound Jim Vojcik forced in Moskovich for the second run in the third.

### BAT OVERSHADOWED

Lincoln's fielding and pitching again overshadowed plate power. Third Baseman George Wright, peppery red-head up from Martinsville, Va., (Class B, Carolina league), and Second Baseman Moskovich, a Martinsville teammate, again sparked defensively.

The A's next action will be a game with Martinsville Thursday. They will start the trek to Lincoln

**A's May Get Kirk**  
MOUTRIE, Ga. (Special Wire)—There was talk in the Lincoln Athletics camp Monday morning that Tommy Kirk, hard hitting rightfielder who led the squad in stolen bases a year ago, might be again to the A's.

Kirk has been working out with Buffalo of the International league, a team that has more than its share of outfielders. If Buffalo lets him go Lincoln will have first call.

Lou Limmer, with Kirk at Buffalo, was returned to Lincoln Sunday.

Friday, arriving in the Capital City Sunday afternoon.

Moskovich, John Addison and Boehm led Lincoln hitting with two singles each. Boehm, who will start the Western league season for the A's in center field, was used at first base. Lou Limmer, the A's regular first-sacker, who went through spring training with Buffalo will join the club in Lincoln.

Manager Jimmy DeShong, although admitting his team still hadn't found its batting potential, was pleased with the hustle, pitching and fielding prowess displayed.

"I think we can count on Fauth and Lovenguth as starters," said the maestro.

### Box score:

Lincoln	Tallahassee
Wright, 3b, 4-0-1-5	Petrilia, 3b-2b, 4-0-1-5
Boehm, 1b, 2-2-1-1	Bohm, 1b, 2-2-1-1
Addison, 2b, 4-1-0-0	Moskovich, 2b, 4-1-0-0
Ippolito, 3b, 4-1-0-0	O'Brien, 3b, 4-1-0-0
Panceo, 3b, 4-1-0-0	Vojcik, 3b, 4-1-0-0
Moskovich, 2b, 4-1-0-0	Hegedorn, 2b, 4-1-0-0

## 'Deep Style' Aids Sammy

... To Masters Crown

By KEN OPSTEIN.

AUGUSTA, Ga.—(INS)—Sam Snead closed the door on a closet full of golfing skeletons Monday and, as brilliant, new Masters champion for 1949, he turned the key in the lock.

Crediting a "new style of play — so deep I can't explain it," Snead smashed home the winner in the 13th annual Masters' classic at Augusta Sunday after firing his second consecutive five-under-par 67 to post a 72-hole score of 282.

The lean, drawling West Virginian has been a great golfer for more years than it takes to tell. But he disqualified himself from a Western Open tournament once because his feet hurt him. He lost two U. S. Open championships because he couldn't even putt out of McGuffey's reader. He waxed hot one round and blew sky-high the next in one tournament after another.

And it seemed, for one long and horrifying moment Sunday, as if this was the old scene all over again.

One stroke behind Johnny Palmer as the final round got underway, Sam went to the turn three strokes under par. He was leading the pack at that point. But he came up on the tenth green, needing a three-foot putt for a par, and he blew it. He came up on the eleventh needing a four-footer, and he blew that, too.

This was it for Snead. But the Slamming Sammy didn't expect. He drove deep for the pin for a birdie on 12, he downed a twisting 18-foot putt for a birdie on 13. His famous wood and iron play carried him to within inches of an eagle on the fifteenth, and he calmly got his bird. He needed only straight pars on the last three holes to beat Lloyd Mangrum and Johnny Bulla by two strokes.

**GIANTS-PIRATES.**  
NEW ORLEANS, La. (AP)—Lawrence Jansen, Giants' right-hander, went on route for the second time this season. He gave New York a 2-1 win over Pittsburgh in an exhibition game before 9,691 fans.

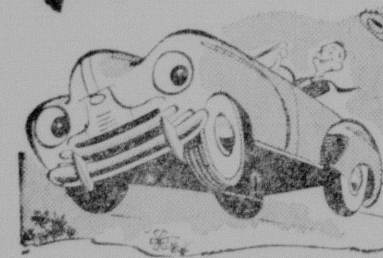

The Giants got to Murrey Dickson for two singles and a double in the second to score, but Ralph Kiner knotted the count with a home run in the Bucs half of that inning.

New York broke the deadlock in the eighth when Bob Hofman tripped home Bobby Thomson who had singled.

## AP Picks Dodgers For Title

Poll Gives Brooklyn Edge In National Scrap

By JACK HAND.

ATLANTA, Ga.—(AP)—The National league race figures to be a wide-open six-team battle with the Brooklyn Dodgers having the best chance to win the pennant.

Only Philadelphia and Cincinnati appear out of it. All the others, including the Chicago Cubs, last in 1948, rate a tumble. Pittsburgh, the big surprise of last year, could very well nip the Dodgers.

Here's the way the finish looks, to the writer, a week before the opening.

1. Brooklyn.
2. Pittsburgh.
3. Boston.
4. St. Louis.
5. Chicago.
6. New York.
7. Philadelphia.
8. Cincinnati.

Most National league managers call 1949 "the year of the big ifs." Uncertain factors such as Ewell Blackwell's physical condition, Whitey Kurowski's sore arm and the comebacks of Pete Reiser and Jim Russell can upset all calculations.

### BARNEY TO HELP

The sale or trade of a single regular player could tumble the delicate balance in President Ford Frick's wheel.

Despite their third-place finish, behind the champion Boston Braves and St. Louis Cardinals, it looks like the Dodgers for the pennant from this corner.

Brooklyn has no sure 20-game winner like Boston's Johnny Sain but in Ralph Branca and Rex Barney, they have a pair who could be tops. Manager Burt Shotton's pitching with Joe Hatten, Preacher Roe, Harry Taylor and young Carl Erskine to back up the Branca-Barney combination, rates the best. Perhaps St. Louis has a little more class but its pitching staff is strictly southpaw.

### MEYER MAY SURPRISE

Bill Meyer may be cooking up the surprise of the year for Pittsburgh. He made the experts look bad last year by leading the underrated Pirates into fourth place. Off season deals for Pitchers Murrey Dickson, Hugh Casey, and Bob Muncie strengthened the club. Meyer says the improvement is 25 per cent.

Picking last year's pennant winner for third place is risky business. Manager Billy Southworth has the same club that was in '48 with the addition of Pete Reiser, veteran Dodger.

For the Braves it's still Sain and Warren Spahn as the one-two pitching punch. Vern Bickford, Bill Loisel and possibly young John Antonelli, the bonus kid who has been hit hard this spring, round out the staff of starters.

Once again, St. Louis has the best regular lineup in the league but there will be too many days when the aging regulars won't be in there. It's a good club that is getting old and weak in reserves.

## No Records For Bowlers

ATLANTIC CITY, N. J.—(AP)—The 46th Annual American Bowling congress tournament was history Monday—but not history-making.

The some 30,000 bowlers who punished the pins of 46 alleys for 57 days and nights fell far short of record performances. None broke into the first five of the all-time standings in any event.

The top prize winners were: Singles—Bernard Rusche of St. Bernard, Ohio, 716.

Doubles—Donald Van Boxel of Green Bay, Wis., and Gene Bernhardt of Sturgeon Bay, Wis., 1332.

All events—John Small of Chicago, 1941.

Five-man team—Jimmie Smith's of South Bend, Ind., 3,027.

The all-time leading scores in these divisions are: singles, 774; doubles, 1,415; all events, 2,070; and team, 3,234.

## Sport Slate Opens Golf Baseball

### ... Prep Contests

**TUESDAY.**  
Baseball.  
Lincoln at Boone, Iowa.  
**WEDNESDAY.**

**THURSDAY.**  
Fut.  
Lincoln at York.  
**FRIDAY.**  
Baseball.  
Aurora at Lincoln.  
**SATURDAY.**  
Track.  
Lincoln at Central Neb. Invitational at Hastings.

By GEORGE MILLER.  
(Star Sports Staff Member)

A variety of high school sports events are on the athletic calendar this week.

First appearances, both road and home, of the Lincoln high baseball team and the first outing of the LHS golf squad supplement the track and field diet which began two weeks ago.

Coach Sam Hale's baseball team plays Tuesday at Boone Town in its first outing. Friday the Links will be host to Aurora in the first home game.

### TRACK DATES.

Track squads at Lincoln, Northeast and College View have important relay carnival dates. The Rockets and Viewmen will appear Wednesday at the Columbus, Neb., invitational.

Lincoln goes to Hastings Saturday for the Central Nebraska invitational. College View won the Class B team title at Columbus last year but is without many of its 1948 stars.

The Links will provide one of the Hastings features when Hobe Jones carries the Red and Black colors in a half mile field that includes Don Moorhouse of Culbertson. Moorhouse won the gold medal for 880 runners at the state meet last spring.

York high school will entertain the Lincoln golf team Thursday. Tryouts for the LHS golf squad began today and will end Tuesday according to Athletic Director Ralph Beechner.

Mentor Hale's baseball squad expects a rough time at Boone Town. The West Dodge squad split a pair of one-run games with Lincoln last spring.

Better pitching and weaker hitting can be expected from the Links this year, said Coach Hale.

### BATTING ORDER

The opening batting order for Lincoln will include Jerry Johns, third base; Jerry Tomasek, shortstop; Don Weber, center field; Phil Hall, catcher; Gus Lebeck, first base; Myron Collins, second base; and Wells, right field.

John Maser, Dick Stoehr and Bob Britton are battling for the left field position. All three players will make the Boone Town trip.

The Lincoln pitcher will be chosen from among Paul Stokely, Jack Lange and Roxy Keller. Ted Holtgrewe will travel as the reserve catcher. Bob King is slated for utility duty on the mound or in the field.

## Sunday Golf Play Light

Sunday's damp weather was hardly conducive to sub par golf but that didn't prevent a handful of hardy linksmen from at least limbering up on the Lincoln courses.

Joe Gifford, jr., disregarded the elements to register a 73 along side of Emil Frank's low score for early season Hillcrest play. His card showed an eagle on par five number 18.

Other scores reported at Hillcrest included a 38 first nine by Charles Porter and 39 by Gene Chadwell. Brick Willis shot an 81 in his first time out.

Sunday was the first day of golf for By Adams, too, but the city champ did not reveal its results.

Play was light at Lincoln Country club with an estimated 60 on the links Sunday. No scores were reported.

Out at Pioneer's Paul Gillespie led a pack of nearly 100 club swingers with a card of even 80. Brother Gillespie fired an 81, while Carl Ruby came in with 85.

Qualifying for the Lincoln high golf team began at 10:00 Monday morning at Pioneer's. The 36-hole medal play will continue through Tuesday.

ENROUTE TO VICTORY—Slammin' Sam Snead of White Sulphur Springs, W. Va., holes a putt on the third green for a par four as he moved towards the Masters golf championship Sunday at Augusta, Ga. Snead won the event with two 67's in his final 36 holes of play. (AP Wirephoto.)

## Snead Augusta Winner

Fires 67 To Pace Top Tourney By 3 Strokes; Tie For 2nd

By STERLING SLAPPEY.

AUGUSTA, Ga.—(AP)—Sammy Snead, who found the gold of the Masters with a brilliant putter, had the best name in golf Monday as the touring professionals moved toward the high points of the year—the PGA and the Open.

Sammy, the old drivestick hitter in golf, stood his putter Sunday and came home with a 67 in the final round of the Masters. That five-under-par shooting at the Augusta National matched his third round score and added with other rounds of 73 and 75 gave him a 282.

### TIE AT 285.

It was more than enough to win from Lloyd Mangrum and Johnny Bulla with their 285's. In their final trips around the National, Mangrum, the purple heart veteran of Niles, Ill., had a 70, and Bulla, the one-time airline pilot from Pittsburgh, had a 79.

The third round leader—big Johnny Palmer of Badin, N. C.—could not whip par and his final 72 gave him a 286. Jim Turnesa of Briarcliff, N. Y., and the Turnesa golfing family had a 286. One of the great comebacks of the 13th Masters was by former National Open Champion Lew Worsham. The Oakland, Pennsylvanian shot a 68 in the final round for a 289 total.

Worsham began the Masters with a damaging 76 and 75. Hollywood's Joe Kirkwood, jr., son of the trick shot golfer, was eight strokes back of Snead with a 290 after his three-way tie for second place in the third day.

**SNEAD POPULAR.**  
Clayton Heafner of Charlotte, N. C., Jimmy Demaret of Ojai, Cal., and Byron Nelson of Roanoke, Texas, had 292's. The defending champion, Claude Harmon and Herman Keiser, another former Masters' winner, scored 293's.

About 14,000 golf fans turned out for the final day, and most of them came home with Snead. The news of his three under par front nine spread about the 6,900-yard National and the conversation was on Snead. His front nine shooting was four birdies, a one-over par hole and the rest pars.

### Robinson, Lee Meet In Omaha Match

OMAHA —(AP)—Ray (Sugar) Robinson, world's welterweight champion, will meet Don Lee, Edson, Neb., ring veteran, in a 10-round non-title fight here Monday night.

Both Robinson and Lee will weigh in well over the 147-pound welterweight limit. Robinson arrived Sunday with his wife and seven others, including George Gainford, his manager.

### AK IMPROVES TRACK.

OMAHA —(AP)—A four inch layer of specially selected top soil has been laid on Ak-sar-ben track where a 32-day race meeting opens Tuesday, May 24. After the first week of workouts on the re-touched track, owners, trainers and Presiding Steward R. A. Leigh agreed that the track is in the finest shape in history. The meet closes July 4.

### Ashburn Suffers Second Mishap

NASHVILLE, Tenn. (AP)—Richie Ashburn, Philadelphia Phillies' flashy flycatcher, is rapidly turning Manager Eddie Sawyer's hair grey.

Recently, at the Phils' Florida training camp, Richie—a big wheel in the Blue Jays' National league plans this year—was beamed. He came out of that mishap with a few stitches and a black eye.

Sunday, Ashburn turned his ankle in the sixth inning while chasing a fly ball and had to leave the field as the Phils turned back the Nashville Vols of the Southern league, 8-6.

Richie's latest injury is not believed serious.

**MOUND HOPEFULS IN LINCOLN CAMP**—Sixteen of the seventeen pitchers in spring training with the Lincoln A's are shown in this picture. Manager Jimmy DeShong has indicated that he will trim this number to ten when the A's break camp and head north for Western league campaigning. Back row, left to right, John Davis, Dick Blaumen, Art Dimar, Bob Paich, Ed Blanchard, Frank Niedowicz, Clarence Hummel, Jim Miller and Ed Morris. Front row, left to right, Lynn Lovenguth, Al Nemet, Tony Busco, Al Bower, Lew Fauth, Bill Harvey and Al Burch. Fred Wells is not in the picture.

**RENEWS FEUD** — John Pesek (above), Ravenna's tigerman, holds one decision over the Golden Terror this year, but the masked one wouldn't reveal his identity in that match when Pesek won. The Terror claimed that masked wrestlers don't reveal their identity unless they lose fair and square. Promoter Adam Krieger is assuring Lincoln fans that tonight's match at the Fairgrounds will be decided fairly for he has forced the Terror to post a \$500 bond which he will forfeit if he doesn't make a good match of the main event on this evening's card. Also \$400 of the purse has been placed in a winner take all fund. Jack Kennedy will take on Joe Dusek in the semiswindup and Danny Plechas will test Earl Wampler in the preliminary match. Joe Krejci will referee the program.

### Lincoln Takes Two

... Elks Pin Titles

(Special to The Star)  
GRAND ISLAND, Neb.—Lincoln entries took home two of four championships Sunday at the conclusion of the Nebraska Elks' bowling tournament which closed after two week ends of activity.

Tony Locoone won the all-events crown with a total score of 1,754. Paul Mulder of Lincoln finished second with a 1,750 total.

The doubles combination of Ulrich and Jensen took the duo title with a mark of 1,262. A 102-pin handicap helped the pair to the crown. Second place in doubles went to Einfolt and Hendrad of Scottbluff with a 1,247 score.

J. Reicheneker of Kearney took the singles award with a score of 693. H. Godfrey was the top Lincoln singles entry. He had a score of 646.

James of Grand Island won the team award with a 3,049 aggregate. Pepsi-Cola of Lincoln was second with 3,022 pins.

Pope Pius Holds Mass For Staff

Private Ceremony Held In Apostolic Palace

VATICAN CITY—(AP)—Members of Pope Pius XII's family and lay assistants to the pope Monday received Easter communion from the pontiff's own hand, during a mass held in the pope.

This private ceremony was one of two in which the pope will participate during Easter Week. It took place in the red-draped consistorial hall—scene of papal elections—in the apostolic palace beside the basilica of St. Peter.

There also, on Thursday, the pope will give communion to his ecclesiastical staff. As for the past two years, the aging pontiff will not lead the Easter masses he previously celebrated in the Sistine chapel during Holy Week.

Some 250 received the communion wafer from the pope today. The papal throne in the consistorial hall had been removed. In its place a portable altar had been placed. Those who received communion included the pope's noble guard, commanders of the Swiss and Palatine guards and of the pontifical gendarmes.

More than 40,000 Roman Catholics jammed St. Peter's basilica yesterday—Palm Sunday—for the start of the week-long ceremonies. Mass was sung by Monsignor Ferdinando Prosperini at the rites commemorating the triumphal entry of Christ into Jerusalem almost 2,000 years ago.

THE PUBLIC IS INVITED

There's no other cereal like it!

The Twin-Treat Breakfast

CORN for flavor and energy  
SOYA for body-building protein

The protein value of one ounce (1/2 cup) of Corn Soya with four ounces of milk equals that of one egg with three slices of bacon. It's real nourishment and real economy.

—Labor Legislation—

T-H FOES, FRIENDS GET BUSY

Repeat Battle Is Expected To Begin In Senate April 26

WASHINGTON—(AP)—Congressional friends and foes of the Taft-Hartley act maneuvered today toward real action in the battle over repeal of the law.

CIO unions were under orders to drum up "additional and badly needed support" among congressmen for the administration's labor bill. Two republican senators meanwhile planned extensive alterations for the measure when it hits the senate floor.

Capitol Hill's big labor debate of 1949 is scheduled now to begin April 26 in the house. Due to a jam of business, the senate probably will not join in the tussle until several weeks later.

The house rules committee is due to decide today or tomorrow on clearing the administration bill for action.

**Week-End Developments.**  
The week end produced two important developments:

1. Senators Taft (R-Ohio) and Ives (R-NY) tentatively agreed on a bundle of amendments they plan to offer to the administration bill.

2. CIO President Philip Murray called for faster action on repeal of the law almost unanimously opposed by labor unions, and branded as a "foul concoction" a proposed substitute for the administration's repeal.

The Taft-Ives proposals were expected to attract strong senate support. Taft led senators who worked over a house labor bill in 1947 and blended it with a senate bill into the present law. Ives had wide experience with labor problems in the New York legislature before coming to congress.

While subject to change, they were reported to have decided on a national emergency strike section providing for a 60-day cooling off period which could be enforced by an injunction or plant seizure if necessary. A survey board, named by the president, could recommend terms of settlement.

If there were no settlement after the 60-day interval, congress would deal with the dispute in a special law. The president would call congress back for the job if it were not in session.

The administration bill would provide a presidential request for 30 days of continued operation, but there would be no means of enforcing. The present law allows the government to set an injunction that compels a cooling off of 60 days.

Taft and Ives would continue the present ban on the closed shop, but would permit preferential hiring contracts. These would require an employer to hire union members if they are available. The closed shop provides that only union members may be hired.

Dr. Doan Resigns Psychiatric Post

OMAHA—(AP)—Dr. Duane I. Doan announced his resignation as director of the Nebraska psychiatric unit.

Dr. Doan, who organized the unit at the University of Nebraska medical school in January, 1948, said he was informing the board of control that he would leave as soon as he could be replaced but not later than July 1.

He said he was giving up the \$7,500 a year job to enter private practice in Omaha. Dr. Doan came here from Iowa City, Ia., where he was on the staff of the psychiatric hospital at the state university of Iowa.

Dr. Doan explained he is the only full-time psychiatrist in the Nebraska unit, though five physicians are in resident training there.

"The job has become too much of a load," he commented.

He said it was likely that a replacement would have to be brought in from outside the state. None of the residents will complete their training this year, he added.

New Corporations

The following articles of incorporation have been filed with the secretary of state.

Electric Supply Co. Inc., North Platte. Authorized capitalization \$100,000. Incorporators T. F. Crawford North Platte; D. L. Varner, Des Moines.

Sacred Heart church, Bayard, non-profit. Incorporators Bishop Edward J. Hunkeler of the Grand Island diocese; Mgr. Anton Link, vicar-general, Grand Island; and the Rev. Vincent J. Falster, Alfons J. Pinner and Leo Durnall, all of Bayard.

Frontier Area Bridges Will Be Repaired

... By State

Rehabilitation of the Frontier county area, which two years ago was isolated by floods destroying the bridges and roads, was indicated by the highway department in announcing the Platte Valley Construction company, Grand Island, as low bidder on three projects costing \$239,666.

The three projects will consist of less than two miles of actual highway, but will include bridges, culverts, river protection and guard rails as well as grading and graveling.

One-half mile south of Stockville was bid at \$87,607, and a half mile north of Cambridge at \$73,359. Between Stockville and Indianola nine-tenths of a mile will cost \$78,700.

Other projects on which low bids were announced included:

Kearney-Pleasanton, 17 miles gravel M. M. Lippincott, Hastings, \$14,591.

Lynn-Des Moines, 6.3 miles gravel, Lyman-Richey Sand & Gravel Co., Omaha, \$12,709.

Wauson-Yankton bridge, 6.6 miles gravel, Sawyer Sand & Gravel Co., Holdrege, \$10,731.

Wauson-Yankton bridge, 6.6 miles gravel, J. N. Elmum, Wayne, \$21,143.

Steinauer east, 1.1 miles gravel, Steele Bros., Dorchester, \$3,225.

Hemphre west, 12.1 miles gravel, Lyman-Richey, \$21,226.

'Confiscated' Gun Sale Is April 16

The state game commission will hold its "largest" auction of confiscated guns Saturday afternoon, April 16, at the state fairgrounds, Secretary Paul Gilbert announced. Gilbert said the public auction would start at 2 p. m.

Keeping a loaf of bread in the refrigerator will help to prevent molding.
